SIGNAGE

Signage is the design or use of signs and symbols to communicate a message.

Signs are any kind of visual graphics created to communicate, to convey information designed to assist the receiver with the decision-making based on the information provided. Alternatively, signage may also be designed to persuade receivers of the merits of a given product or service. Signage is typically manifested in the form of wayfinding information in places as such on the inside or outside buildings.

Our signages are direct 1200dpi UV flatbed printed onto Aluminium Composite Panels (ACP) c/w round edges and double sided tape for ease of application.

TABLE OF CONTENT

ACCESSIBLE	1	RESTRICTED AREA	32
GARDEN & LAWN	5	SAFETY FIRST	35
HOSPITAL & NURSING HOME	7	SECURITY & SURVEILLANCE	37
HOUSEKEEPING	10	SMOKING AREA	40
KITCHEN & FOOD SAFETY	13	TOILET	42

NOTICE	17	DIRECTORY / SYMBOLS	51
PARK	20	DIRECTORY / TOILET	54
PROPERTY	22	NOVELTY / FUNNY	57
PUBLIC AREA	23	TRENDING	58
QUALITY ASSURANCE	26		
RECYCLING & CONSERVATION	28		

THE BENEFIT OF USING ACP

Aluminium Composite Panels (ACP) are built by inserting a soft, shock absorbent core (typically plastic) sandwiched between two layers of aluminium sheet metal. The purpose of this is to combine the shock absorbing qualities of the soft inner core while the lightweight but relatively durable outer aluminium protects it. And one of the main uses is as aluminium composite panel cladding for buildings.

Some of the main advantages of ACP are:

1. Lightweight yet Sturdy (aluminium & plastic core)
2. Chemical / Heat / UV Resistant (aluminium plates)
3. Borer, Termite & Fungi Resistant
4. Easy to Clean
5. Recyclable

THE BENEFIT OF UV PRINT

Since it was introduced, UV ink has grown to dominate the industrial UV printing market. There are several reasons UV inks have come to dominate the printing ink market. Some reasons include:

1. Nearly Instant Curing (faster production time)
2. Colour Enhancement
3. No Toxic Fumes
4. Clear Detailing
5. Eco-friendly

SIGNAGE PRICE LIST

size	weight (± inc pkg)	price (normal selling price)	price (> 20pcs)	price (> 50pcs)
