**To Whom It May Concern**

Reference is made to the above. This is to confirm that TCK Aluminium & Glass Trading has been employed as part our sub-contractor company of Valencia Development Sdn Bhd on South Golf Precinct and North Golf Precinct and North Golf Precinct housing project in the area of aluminium works.

During the years, we have found the company to be experienced, responsible, technical skilled and cooperative in executing their job function. They had often met the their job requirements driven by their enthusiasm, dedication and reliable work practice and is well acquainted among other sub-contractors.

We are confident of their performance and we have no hesitation to recommend them to any other organization seeking these qualities in their work. We wish them success in all their future endeavours.

Yours faithfully  
Valencia Development Sdn Bhd

**Ben Ng**  
Project Manager
