---

Comprehensive warranty and after-sales maintenance.

## **FREQUENTLY ASKED QUESTIONS (FAQs)**

### **3M™ Hyper Shield Silica Coating Paint Protection**

Q: Where can I apply 3M™ Hyper Shield Paint Protection?

A: 3M™ Hyper Shield Paint Protection can be professionally-applied on body, headlamps & rims.

Q: Can I apply 3M™ Hyper Shield Paint Protection by myself?

A: We strongly recommend that 3M™ Hyper Shield be applied by a 3M Certified Applicator. They have the training and experience to ensure your car receives an application which is consistent and effective.

Q: What is the warranty for 3M™ Hyper Shield Paint Protection?

A: A comprehensive warranty of one and two years are available for 3M™ Hyper Shield customers. Please check with 3M Authorized Auto Care Centers for more details. Terms and conditions apply. The warranty is only for the customer whose car is applied in the Authorized 3M Auto Care Centers.

Q: What is not covered in the warranty?

A: The warranty does not apply to damage caused by misuse, accident, ordinary wear or natural disaster.

Q: Can I polish and wax after I have applied 3M™ Hyper Shield Paint Protection?

A: We strongly advise against polishing but waxing is highly recommended every 2 months.

Q: What car wash soap is recommended for maximum protection?

A: We recommend that you wash your vehicle regularly with 3M Car Wash Soap Concentrate which safely eliminates dirt and grime without removing wax protection or an equivalent LOW ALKALINE car wash soap and a clean microfiber wash mitt.
