COLOUR INKJET
WORKFORCE PRO WF-6091

EPSON
EXCEED YOUR VISION

THE IDEAL COMBINATION OF QUALITY AND QUANTITY.

WORKFORCE PRO WF-6091
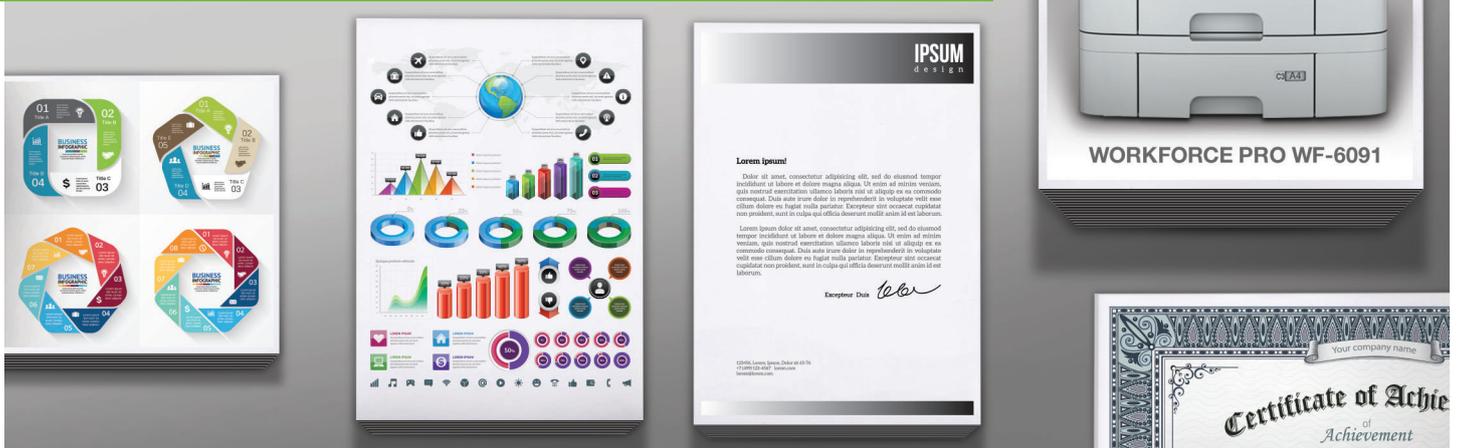

For ultra-reliable and high-volume printing that delivers a maximum monthly duty cycle of 75,000 pages, look no further than the WF-6091 business inkjet printer. Designed to take care of all business details, enjoy exceptional speeds and print resolution of up to 4,800 x 1,200 dpi, with economical ink cartridges that give you high-yield, uninterrupted printing.

24 ppm				Direct	$avings
Print Speed	Duplex Printing	Epson Connect	Ethernet	Wi-Fi Direct	Cost Effective

With up to 2 Optional Paper Cassettes

IT'S IN THE DETAILS.

Greater Productivity
PrecisionCore™ printhead technology enables fast default and draft print speeds for quality black and colour prints.

Low Running Cost
High yield ink cartridges give you up to 10,000 pages of black or 7,000 pages of colour printouts.

Versatile Connectivity
Share your printer over Ethernet, Wi-Fi and Wi-Fi Direct and print on the go via a suite of Epson Connect features.

PRECISIONCORE

DURABrite Pro INK

Witness exceptional print quality and high page yield with the WF-6091 inkjet printer. The new DURABrite Pro pigment ink not only gives you vivid black and colour prints that are water, smudge and fade-resistant, it also reduces paper curl.

Greater Productivity

PrecisionCore Printhead Technology

PrecisionCore is a next-generation printing technology utilising a revolutionary high-density print chip, which can generate up to 40 million precise dots per second with astonishing accuracy, producing professional quality output at dramatic speeds.

WF-6091 delivers speeds of up to 24ipm (black/colour) in standard quality and 34/34ppm (black/colour) in draft quality. What's more, you can achieve excellent print resolution of 4,800 x 1,200 dpi for quality prints such as brochures, flyers, certificates, and title deeds. Productivity is further enhanced with a reliable max monthly duty cycle of 75,000 pages.

Automatic Duplex Printing

The WF-6091 inkjet printer supports automatic duplex printing of up to 16ipm for A4, reducing paper wastage.

Low Running Cost

Ink Cartridge Capacity

Enjoy maximum cost-savings and reduce waste by replacing only the cartridges that are depleted. Each set of cartridges gives you a high yield of up to 10,000 pages in black or 7,000 in colour, minimising downtime needed to replace the cartridges.

Energy-saving, Environmental-friendly

The Epson WF-6091 gives you significant energy-savings. Unlike laser printers, it uses no heat and is more environmental-friendly.

Versatile Connectivity

Equipped with Ethernet, Wi-Fi, Wi-Fi Direct* and USB 2.0, the WF-6091 is perfect for office environments. Wi-Fi Direct acts as an access point, allowing up to four devices to connect directly to the printer at a time. With EpsonNet Config, you can easily change your network settings remotely. The WF-6091 also comes with Near Field Communication (NFC), which enables users to conveniently print or scan by touching a compatible device to the printer.

Wi-Fi®   **Wi-Fi Direct®**

* Wi-Fi and Wi-Fi Direct cannot be used simultaneously.

Epson Connect Enabled

When the printer is connected to a network with internet connection, Epson Connect mobile solutions are enabled. You can now print your documents wirelessly anywhere, anytime.

- **Epson iPrint** – Print from your smart device or online cloud storage services.
- **Epson Email Print** – Print to any Email Print-enabled Epson printer from any device or PC with email access.
- **Remote Print Driver** – Print to a compatible Epson printer anywhere in the world via the Internet using a PC with Remote Print driver or from mobile devices via the Epson iPrint app.

Other mobile solutions:
- **Apple® AirPrint™** – Print directly from your Apple devices.
- **Google Cloud Print™** – Print directly from an Android™ smartphone, tablet or PC using your Google account.
- **Mopria™ Print Service** – Conveniently print across different brands of printers from mobile devices running Android OS 4.4 or later.

Secure Printing

Secured Printing with PIN Release – Print confidential documents by setting a PIN to a print job for release on the printer panel.

IP Address Filter – Secure your documents by preventing unauthorised devices from connecting to the printer.

Panel Admin Mode – Set a password to access and change administrator settings for the printer. This prevents unauthorised users from changing the printer settings.

Ease of Use

LCD Screen
Experience easy set-up and PC-less operation with a 2.2" mono LCD that allows you to change printer settings or setup and operate the printer as a stand-alone machine without the use of a PC.

Versatile Paper Handling
The WF-6091 comes with a 500-sheets standard paper cassette and an 80-sheets rear tray capable of supporting different media from 64 to 256gsm, such as plain paper, thick paper, photo paper or envelopes.

A single sheet priority input is also available for manual feeding of templates such as letterheads.

Expand your input paper capacity to support up to 1,851 sheets with the addition of up to 2 optional 500-sheet paper cassettes, reducing time spent on replenishing paper.

Quality Printout

DURABrite Pro INK

The WF-6091 uses a new pigment ink set known as DURABrite Pro that is specially developed for business use. Compared to conventional pigment inks, this new ink set has greater pigment concentration, achieving vivid black and colour prints and allowing graphs and images to be clearly expressed even on ordinary plain paper.

The ink also has a curl-inhibiting ingredient that reduces paper curl. Similar to DURABrite Ultra ink, this new ink set is water, smudge and fade-resistant.

PARTNERS IN PERFECTION

WorkForce DS-7500 Scanner
The DS-7500 A4 colour scanner gives you high-speed duplex scanning of up to 80ipm, with a high daily duty cycle of 4,000 pages, maximising workplace productivity.

EB-965H Projector
Featuring a XGA resolution with white and colour brightness of 3,500 lumens, enjoy long lamp life of up to 10,000 hours in eco-mode, along with two convenient HDMI connectivity ports.

MODEL NUMBER	WF-6091
Printer Type	Print
Printing Technology	
Printing Method	PrecisionCore™ Printhead
Nozzle Configuration	400 x 2 nozzles each colour (Black, Cyan, Magenta, Yellow)
Print Direction	Bi-directional printing, Uni-directional printing
Maximum Resolution	4800 x 1200 dpi (with Variable-Sized Droplet Technology)
Minimum Ink Droplet Volume	3.7 pl
Print Speed[1]	
Draft Text - Memo, A4 (Black[#1] / Colour[#2])	Up to 34 ppm / 34 ppm
ISO 24734, A4 (Black / Colour)	Simplex: Up to 24 ipm / 24 ipm, Duplex: Up to 16 ipm / 16 ipm
Photo Default - 10 x 15cm / 4 x 6" [2][3]	Approx. 20 sec per photo (with Border)
First Page Out Time (Black / Colour)	Approx. 5.0 sec / 5.0 sec
Printer Language	ESC/P-R
Printer Control Language Emulations	PCL5c / PCL6 / PostScript3 (CSR) / PDF ver1.7
Automatic 2-sided Printing	Yes (up to A4)
Max Duty Cycle	Up to 75,000 pages / month
Paper Handling	
Paper Feed Method	Friction feed
Number of Paper Trays	3 (Front 1, Rear 1, Manual Feed 1)
Paper Hold Capacity	
Input Capacity	Cassette 1: 500 sheets, A4 Plain paper (80g/m^2)
	Rear Tray: 80 sheets, A4 Plain paper (80g/m^2)
	20 sheets, Premium Glossy Photo Paper
	Manual Feed: 1 sheet
Maximum Input Capacity	1,581 sheets
Output Capacity	250 sheets, A4 Plain Paper
	20 sheets, Premium Glossy Photo Paper
Paper Size	Legal, Letter, A4, B5, A5, A6, 8 x 10", 5 x 7", 4 x 6", Envelopes: #10, DL, C6, C4
Maximum Paper Size	215.9 x 1200mm (8.5 x 47.24")
Print Margin	3mm top, left, right, bottom
Interface	
USB	Hi-Speed USB 2.0
Network	Ethernet (1000BASE-T/100BASE-TX/10BASE-T), Wi-Fi (IEEE 802.11b/g/n), Wi-Fi Direct, NFC

What's in the box:
Main Unit, Initial Ink Cartridges, Power Cable, USB Cable, Driver CD, Setup Guide.

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

#1 Black Text
#2 Black Text and graphics
#3 Photo 4R (4 x 6")

*2 When printed on Epson Premium Glossy Photo Paper.

*3 Default mode in accordance with ISO7779 for MFPs.

*4 Based on after-market cartridges, ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing. In accordance with ISO 24711/24712. Actual yields will vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. A variable amount of ink remains in the cartridges after the "replace cartridge" signal.
