HYDRONKNIT* technology

All WYPALL* X Wipers are made from our patented HYDRONKNIT* material which is comprised of soft, absorbent cellulose fibres and strong polypropylene non-woven fabric. The cellulose component allows these wiping cloths to absorb water quickly and effectively, while the tear-resistant polypropylene fabric soaks up more than its own weight in oil and grease. The result is a durable and absorbent wiper, which can be used wet or dry.

Support and Quality Guaranteed

No Risk Trial

We are confident that the products we recommend will improve your productivity and enhance hygiene. Ask your KIMBERLY-CLARK PROFESSIONAL* representative for our No Risk Trial program conditions.

Guaranteed Support

We are proud of our after sales service. Our national network of distributors and sales representatives are on hand when you need them, the answer to any query you may have is just a phone call away.

Guaranteed Satisfaction

Our 'no-quibble' guarantee, covering all KIMBERLY-CLARK PROFESSIONAL* Products, assures you of trouble-free performance by our recommended systems. The quality and consistency of our products allows us to offer a money-back or replacement of stock guarantee.

Superior products for every wiping task

The WYPALL* X wiper range

WYPALL*
BRAND

WYPALL* X80 Wipers

Extra strong. Absorbent. Bulky.

Engineered to perform better than waste rag, WYPALL* X80 Wipers are the wipers of choice for heavy duty wiping tasks. WYPALL* X80 Wipers can halve your waste disposal costs and help to reduce freight and storage costs versus the equivalent amount of waste rag.

- Extra strong, durable and reusable for cost-effective wiping
- Kilo for kilo absorbs more oil and water than waste rags for more effective wiping, saving you time
- Every wiper is identical in size, shape and cleanliness so no time wasted searching for a suitable piece
- Compact packaging helps to reduce disposal, freight and storage costs versus waste rag
- Every wiper is usable and takes up less space than the equivalent amount of waste rag, meaning significant reductions in wiping material sent to landfill
- Available in a wide range of practical, easy-access dispensing options for an efficient workplace

WYPALL* X80 Wipers are ideal for:

- ✓ Heavy duty wiping tasks
- ✓ Wiping oily surfaces and machinery
- ✓ Cleaning rough surfaces
- ✓ Preparing surfaces with solvents
- ✓ Picking up grease, dirt and metal shavings while protecting the hands

WYPALL* X70 Wipers

Exceptional performance. Durable.

WYPALL* X70 Wipers have what it takes to take on those tough jobs. Count on WYPALL* X70 Wipers for long lasting performance that extends usage and reduces waste, while helping improve hygiene.

- Strong and bulky – ideal for tough jobs such as cleaning grills, ovens or machinery
- Maintain their strength wet or dry for long lasting, cost-effective performance
- Durable – can be used for a specific task during an entire shift and then thrown away
- Disposable nature helps keep bacteria at bay, which can accumulate when a cloth is left overnight
- Does not contain any adhesives or binders – this means no residue is left behind on the surface, and they can be safely and effectively used with a variety of chemicals
- Every wiper is identical in size, shape and quality, and hygienically clean, which means you get consistent performance every time
- Available in a wide range of practical, easy-access dispensing options for an efficient workplace

WYPALL* X70 Wipers are ideal for:

- ✓ Wiping up liquid spills
- ✓ Absorbing oil, grease and water
- ✓ Cleaning sinks, grills and ovens
- ✓ Replacing tea towels
- ✓ Cleaning stainless steel surfaces
- ✓ Polishing glass

WYPALL* X60 Wipers

Versatile. Economical. Hygienic.

WYPALL* X60 Wipers bring the absorbing power of our HYDROKNIT* technology to a lighter-weight wiper. An outstanding, versatile wiper – durable enough to handle general cleaning tasks and soft and absorbent enough to be used for personal wiping. As a single-use wiper, WYPALL* X60 Cloth Wipers help improve hygiene and reduce the risk of cross-contamination in your workplace.

- Strong wiper construction ensures longer lasting performance, maintaining strength wet or dry
- Single-use, highly absorbent wiper minimises the risk of cross-contamination
- Extremely soft and gentle in texture, especially when wet, making wiper suitable as a personal wash cloth
- Versatile and economical, delivering a balance between performance and value
- Very flexible, enabling you to clean in the tightest of corners
- Efficient and hygienic dispensing systems allow easy access to wipers for immediate use, while ensuring that individual wipers are hygienically dispensed

WYPALL* X60 Wipers are ideal for:

- ✓ Personal wiping in a Healthcare environment
- ✓ Wiping surfaces
- ✓ Absorbing spills
- ✓ Polishing glass or stainless steel
- ✓ General cleaning
