

CPI TRBS BETA

3 ways –Tamper Resistant Bait Station

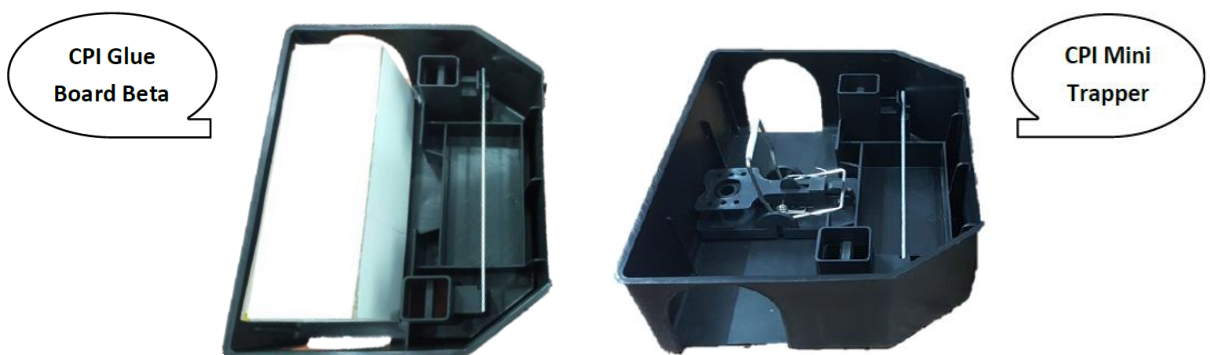

Specification:

Size: 73mm (H) x 240mm (W) x 200mm (L)

Weight: 374gram

Features:

The innovative features of CPI TRBS Beta allow us to place multi type of rodent baits, glue board and trapper inside the station. The station is designed with secure lock to match HACCP requirement. HACCP standard has specified that tamper resistant bait station should be used with bait secured in the station so that the risk of rodents removing the bait is minimized. The station is ideal for indoor and outdoor rodent control.
