

POE-25-S – Industrial POE Splitter, 25W

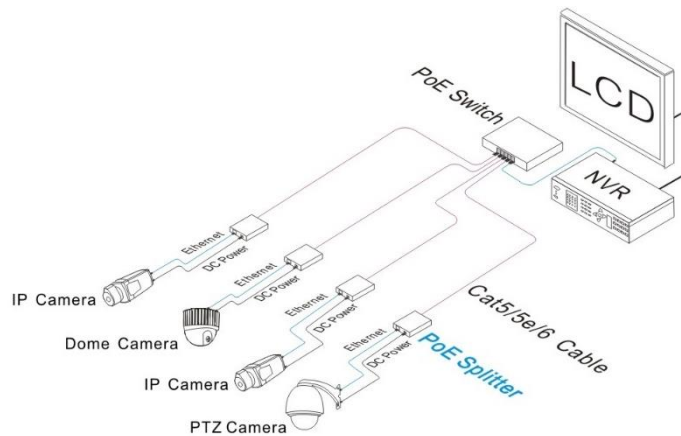

Features

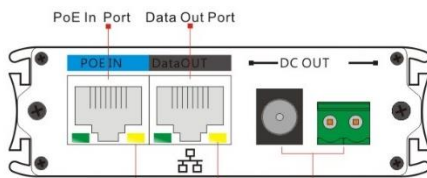

- POE in, Ethernet + DC output
- 12/24VDC output selectable
- 10/100/1000 Base-T
- LED Indication
- Plug and Play
- Industrial Standard -40~75°C
- 6KV Surge Protection
- Rack Mount (optional)

Specification

- POE Input 36~60V 30W Max.
- Protocol : IEEE 803.2af/at, 802.3ab
- Green LED : Data
- Yellow LED : Power
- Operating Temperature : -40~75°C
- Operating Humidity : 0~90%
- Aluminum Casing with Black Epoxy Powder Coating
- 50000 MTBF
- Surge Protection : 6KV, IEC61000-4-2
- 82 x63 x25mm, 180g

* Specification may be changed without prior notice
