5 - Cleaning
Apply immediately after grouting (before the grout hardens). Apply with sponges or white, cleaning sponges. Repeat this operation two or three times. The cleaning should be done with a soft cloth. The cleaning should be done with a soft cloth. The cleaning should be done with a soft cloth.

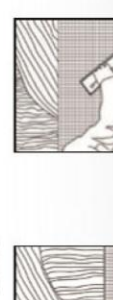

6 - Cutting glass mosaics
Mosaic tiles can be cut as follows:
- Regularly, tile by tile, using mosaic pliers.
- Irregularly, using a diamond disc in progressively deeper cuts - do not try to cut the tile in one single cut as they may break.

7 - Maintenance
For daily cleaning we recommend using normal neutral detergents. Do not use: acids, alkalis, hydrochloric, phosphoric or orthophosphoric acids. For special or heavy-duty cleaning we recommend using a slightly acidic detergent. The cleaning should be done with a soft cloth. The cleaning should be done with a soft cloth.
