COMPANY PROFILE

About Our Company

PK Furniture Sytem Sdn. Bhd. was founded in 2012 by a team of dynamic and aggressive people that share the same passion for specialized one stop commercial furniture centre. Since its inception, the company has served corporations, interior design compenies, universities, hotels and retail shop not only in malaysia but also exported to other Southeast Asian countries.

We specialize in office furniture and seating, and our products range from customization and interior design services. We also provide professional pre-sale consultations and after sales services as well as ideas on workplace design. For over 8 years, PK Furniture has serve over 3000 companies, providing them with quality office furniture at competitive pricing and prompt delivery. Our mission is to embrace change to satisfy the changing needs of customers.

Moving foward, PK Furniture will continue to explore new market design and embracing changing ideas and taste of customers. We will seek new partners in Southeast Asia to grow regionally.
