**Composition/information on ingredients**

**Product ID:** Solid gel air freshener.

**Contains:** Glycol Ether CAS number 34590-94-8. Sodium Stearate CAS number 822-16-2.

**EINECS number:** Not applicable, product is a mixture.

**Health/Hazard Information**

**Health Effects General:** No specific Hazards.

**Environment :** Not hazardous for the environment.

**Fire- Fighting measures:** Not Classified as flammable but will burn.

Extinguishing Media – Carbon Dioxide, Dry Chemical, Foam.

**Exposure controls/Personnel protection**

**Respiratory protection:** None required.

**Eye protection:** Avoid contact with eyes.

**Skin protection:** Protective gloves are recommended if in direct or prolonged contact with the gel.

**Physical and Chemical properties**

**Appearance:** Solid gel product.

**Odour:** Perfumed.

**Flammability:** Not classified as flammable

**Solubility water:** Partially soluble.

Material Safety Data Sheet

September 2018

Stability and reactivity

**Reactivity:** Product is very stable.

**Decomposition:** Hazardous decomposition products are unlikely.

Toxic logical information

Based on the ingredients in this composition and their concentrations, this product is according to the conventional method of EC directive 88/379/EC classified as: Safe when used as directed.

**Ecological information:** This product is readily biodegradable.

**Disposal considerations:** Dispose of according to local regulations.

**Transport information:** This product is not classified as hazardous for transport.

**Regulatory information:** Not classified.

First Aid Measures

**Eye exposure:** Irrigate with plenty of water. Seek medical advice if any irritation persists.

**Skin exposure:** Wash with soap and water. Seek medical advice if any irritation persists.

Wash mouth out with water. Give plenty of milk. Seek medical advice if distressed

Precautions for Use

**Precautions for Use:** No special requirements.

Safe Handling Information

**Handling:** No special requirements other than mentioned above.

**Storage:** No special requirements other than mentioned above.

Other Information
