The most effective **SPI²RO**

formulation recommended by renowned experts.

SPIRULINA

Regulates the body's immune system, ensuring all-around nutrient absorption, relieves body fatigue, slows down the effects of aging & protects against chronic diseases such as cancer, high blood lipids, malignant anemia and diabetes.

CHLORELLA

Rich in Chlorella Growth Factor and helps produce probiotics. Removes toxins, including heavy metals, pesticides and environmental toxins, from your body.

SPINACH

Contains high levels of plant fibre which effectively stimulates gastric motility and pancreatic secretion, thus improving digestion.

Why do you need to *Detox*?

Fully detox & cleanse your body to regulate the entire body's functions.

18-25 yrs old

Body toxins and low oxygen in blood may lead to tiredness, dull skin, cold hands & feet, and may even affect the chances of pregnancy.

26-39 yrs old

Accumulation of body toxins and low oxygen in blood may lead to the increase of wrinkles, loose skin, dark circles, obesity, hair loss, etc.

40 and above

Body toxins and low oxygen in blood may lead to a haggard appearance, tiredness, poor sleep quality and irritability.

3 Steps To Clean Your Body In **18 days**

C.G.F (Chlorella Growth Factor) in Chlorella repairs deep skin— both externally and internally. Chlorella restores your skin's elasticity and radiance to its youthful state. Over 7 million citizens of Japan consume Chlorella daily to fight off the effects of aging and stay young.

Spinach, which is high in fibre, can remove toxins in your stomach and improve your digestion. Toxins are your biggest obstacle towards beauty and health, hence, detoxification is undoubtedly your unavoidable first step in the journey of beauty.

Spirulina is regarded as the most nutrient-dense food of the 21st Century with a high level of minerals and vitamins. Hence, National Aeronautics & Space Administration (NASA) has used Spirulina for astronauts' food in space. Spirulina is also the most powerful nutritional supplement after detox.
