Support Our Mission : Joining Hands for Humanistic Education

Yayasan Kemanusiaan Da Sheng (YKDS) (1300115-M), established in 2018, is a non-profit charitable organisation dedicated to serving all individuals regardless of race, gender or religious belief. YKDS advocates for humanistic and character education, dedicated to elevating humanistic literacy across society. We actively deepen our impact across fields such as educational reform, scholarships & grants, community culture and charitable welfare.

- **Educational Reform:** Our professional R&D team develops specialised early childhood education curricula that integrate humanistic values into daily learning, promoting these programmes across partner schools. Furthermore, we empower educators through professional teacher training and academic exchanges.
- **Scholarships & Grants:** We provide tertiary scholarships and financial aid to assist underprivileged students in completing their studies, nurturing outstanding talent for the future.
- **Community Culture:** Actively engaging with local communities, we organise educational tabletop game camps and community cultural events, bringing high-quality educational resources directly to the community.
- **Charitable Welfare:** We provide assistance to underprivileged groups and medical institutions, actively supporting charitable and public welfare efforts.

To drive these educational, humanistic and welfare initiatives forward, we warmly invite you to support our meaningful programs. Your generous sponsorships and financial contributions are deeply appreciated.
