Granular & Neutralizers

Loose, multi-purpose absorbents

Granular absorbents are loose, multi-purpose absorbents used for liquid spill clean-up, lab packing and stabilization of free liquids. This option is ideal for facilities that prefer or require the use of traditional granular absorbents.

The small, loose particles of a granular absorbent make it ideal for applications where a pad or roll would not offer a proper fit. Liquids don't always spill on a smooth surface. In those instances, a granular absorbent can absorb liquids from the cracks and crevices of a variety of surfaces.

Need To Know OSHA Silica Ruling:

One of the most common compositions for granular absorbents is diatomaceous earth, which is 80-90% silica based.

OSHA's final rule on limiting exposure to respirable crystalline silica was issued in 2016 to curb lung cancer, silicosis, chronic obstructive pulmonary disease and kidney disease. All of which have been linked to high levels of silica.

Rely on Brady SPC absorbent pads and rolls as a safer, more efficient, non-silica solution for absorbing leaks, drips and spills.

Absorbents & Spill Control

SpillFix Granular Absorbent

The new standard in loose absorbents!

- Completely natural - no carcinogens, no dust indoors; landfill and incinerator safe outdoors
- Highly effective - absorbs hydrocarbons, chemicals and water-based solutions
- Workplace friendly - natural construction prevents damage to equipment or floors; a regular occurrence with clay-based granulars
- Deploy indoors or outdoors to clean up spills in hard to reach areas
- NSF certified for use in food and beverage plants

2015 OH&S New Product Of the Year
Award in the Hazmat Safety Category

SpillFix Granular Absorbent

- Premium absorbent solution constructed of 100% recycled material
- Extremely effective in the absorption of hydrocarbons, solvents, oils and most aggressive chemicals
- Certified safe for disposal of hydrocarbons*
- Lightweight and easy to deploy

Catalog #	Type	Size	Absorbency Factor (gl/g)	Absorbency Capacity (gal)	Shipping Wt (lbs)	Pallet Qty.	Quantity
SF-20	SpillFix 20LB Bag	20 lbs	4.5	7	995	48	1 pallet
SF-7	SpillFix 7LB Bag	7 lbs	4.5	2	900	124	1 pallet
SF-JAR	3 Quart Jar	3 Qt.	4.5	0.75	365	288	1 pallet

SpillFix Granular SOC

- The benefits of SpillFix granular contained in a biodegradable sleeve
- Wringable for added life

Catalog #	Type	Size	Absorbency Factor (gl/g)	Absorbency Capacity (gal)	Shipping Wt (lbs)	Pallet Qty.	Quantity
SF-10BOOM	SOC	4" x 10'	4.5	6	20	48	2/case
SF-5BOOM	SOC	4" x 5'	4.5	6	16	48	4/case

4-8X More Absorbent

A 20 lb bag of SpillFix granular absorbs 4-8x the liquid of traditional clay granulars.

*Confirm with your local municipality before disposing directly into a landfill.

Re-Form™ Granular

- 100% recycled material - safe for the environment and employee use
- Absorbs oils, solvents, lubricants, coolants, water and most non-aggressive liquids on contact
- 1:1 absorbency ratio - absorbs its own weight in oil

Catalog #	Type	Size	Absorbency Factor (g/g)	Absorbency Capacity (gal)	Shipping Wt (lbs)	Pallet Qty.	Quantity
RFGRANULAR	Re-Form Granular	30 lbs.	1	16.7	1950	65	1 pallet

SPC Granular Absorbent

- All natural corn cob product for oil, grease, water and other liquids (Not for use with aggressive fluids)
- Ideal for use in aircraft maintenance, machine shops, food processing, filling lines and bulk liquid transfer stations

Catalog #	Type	Size	Absorbency Factor (g/g)	Absorbency Capacity (gal)	Shipping Wt (lbs)	Pallet Qty.	Quantity
DZ100	Universal Granular	40 lbs.	1.5	8.5	1600	40	1 pallet

Acid & Base Neutralizing Polymers

- Acid neutralizer provides safe spill control for most acids, including battery spills
- Base neutralizer used for lab equipment and most bases
- Color change lets you know neutralization has taken place. Acid neutralizer changes to purple, base neutralizer changes to orange
- Non-toxic, non-corrosive and non-hazardous

Catalog #	Type	Size	Absorbency Factor (g/g)	Absorbency Capacity (gal)	Shipping Wt (lbs)	Pallet Qty.	Quantity
SPC-ACID	Acid Neutralizer	2lb	n/a	0.65	2	1200	1/each
SPC-BASE	Base Neutralizer	2lb	n/a	0.65	2	1200	1/each

*SPC-ACID and SPC-BASE shaker minimum order of 10.

Absorbents & Spill Control

**Want to try absorbents without a commitment?
Request a Free Sample Pack today.**

Making the switch from granular to absorbent pads can be overwhelming. With a Brady SPC sample pack, you can put absorbent pads to the test in your facility without making any commitments.
