BBP®30 Label Printer

BBP®30
LABEL PRINTER

Entry-Level, High-Performance Industrial Printing

When you need better performance, better versatility and a better priced all in one easy-to-use printer, you need Brady's BBP30 label printer. This entry-level printer combines a compact size with fast print speeds and a range of consumables to make sign and label printing quicker and easier.

- **Compact and efficient design:**
  For faster print speeds with a smaller footprint.
- **User-friendly functionality:**
  Easy-to-load tapes and labels with automatic label set up and no calibration, and compatibility with Brady Workstation label creation apps.
- **Application versatility:**
  100s of durable materials that are ideal for single-color applications, including pipe identification, 5S labels, panel labels, equipment labels, emergency egress marking, pre-printed die-cut labels for safety and warning signs, GHS labels, arc flash labels and more

5 YEAR WARRANTY
