

2026 - 2028 SERIES

VOL. 12

A man and a woman are featured in professional attire. The man, on the left, has dark, wavy hair and is wearing a vibrant blue short-sleeved button-down shirt with white piping on the collar, cuffs, and a chest pocket. He is looking off to the side. The woman, on the right, has long, dark hair and is wearing a light-colored, short-sleeved button-down shirt with dark piping on the collar and cuffs, paired with a dark blue skirt. She has her arm around the man's shoulder and is looking towards the camera. The background is a textured wall with a large, abstract blue brushstroke graphic.

# ABOUT US

A professional and prestigious uniform brand in Malaysia, UZONE has been the long-standing supplier of quality and impressive uniforms to Local enterprises, winning a sterling reputation and establishing itself as the company of choice for national uniform designers.

An exclusive B2B brand by Hern Loong Perniagaan Sdn Bhd (63818-U), UZONE has won the prestigious Asia Pacific Top Excellence Brand Award. We are the top brand in uniform manufacturing and are proud to be the long-term supplier of quality uniforms to a substantial number of B2B and B2C enterprises in Malaysia.

Hern Loong has its own manufacturing plant. From cloth selection to production to packaging and delivery, we perfect the quality of our finished products all the way. Coupled with a high-end counter service and manufacturing spirit, we are able to ensure that every uniform UZONE manufactures meets the most demanding customer expectation!

# WE ACCEPT CUSTOM MADE ORDERS

UZONE produces mainly shirt uniforms, both 'Standard' and 'tailor-made'. As for tailor-made uniforms, we discuss designs and cuttings with each customer, and provide various sizes for them to choose from, with the objective of creating the most suitable pattern that reflects their corporate and brand images. In a nutshell, we create the most dazzling brand image through the professional projection of a uniform.

Due to printing conditions, colours may differ 5-10% from actual product. All measurement are subjected to be different 0.5 inch from the actual product. Size may different from the same products series.
