

Water Filter Kettle

KJ1001

- Italian Design
- Combining an attractive design with LAICA's expertise in water filtration technology
- Filtered water is excellent for hot drinks improving the flavour of tea and coffee
- Filtered water also helps to protect your kettle from scale build up, thus ensuring longer life faster boiling and lower energy consumption
- Laica cartridges reduce undesirable substances sometimes found in tap water, such as limescale, chlorine, heavy metals, some herbicides & organic impurities
- Cartridges are individually sterilised for protection to maintain the highest level of hygiene
- Only food grade materials are used
- Removable monthly electronic cartridge life indicator advises the total cartridge life remaining
- Beautiful shape dressing your kitchen
- Secure lid with spout dust cover maintains hygiene and the quality of filtered water
- Each kettle includes a free cartridge . Further replacements are easily purchased
- The kettle included the cartridge life mechanism are guaranteed for 2 years
- Mains powered

Electronic cartridge life indicator

Technical Data

Product dimensions: (cm) L= 27.5, W= 24, D= 15 / Weight (kg) 1.25
 Total capacity (litres) 1.50
 Filtered water (litres) 0.75
 Barcode : 8033224605005

Master carton: 4 units - Dimensions (cm) L=46, W=29, H=46
 Master carton weight (kg) 7.80

Colour: white
 Code: KJ1001

• Suitable for food contact
 • Periodic inspection
