DON'T BUY AED. RENT THEM.

5+2 YEARS WARRANTY
*Terms and conditions apply

We know that funding equipment can be challenging. With our AED rental program, you can enjoy the benefits of life-saving technology without the obligations of ownership.

ZOLL AED PLUS

**From as low as
RM12/day***

The ZOLL AED Plus is built to empower rescuers with

**Real CPR Help
real-time feedback**

Real-time feedback technology guides rescuers on optimal rate and depth of chest compressions that help ensure the delivery of high-quality CPR.

**Visual and
audio prompts**

Integrated, real-time feedback provides visual and audio prompts, keeping you on track to deliver high-quality CPR.

**Long-life pads
and batteries**

Long battery and pad life mean fewer replacements, less maintenance, and AED readiness.

*Terms and conditions apply
