SCR Thyristors

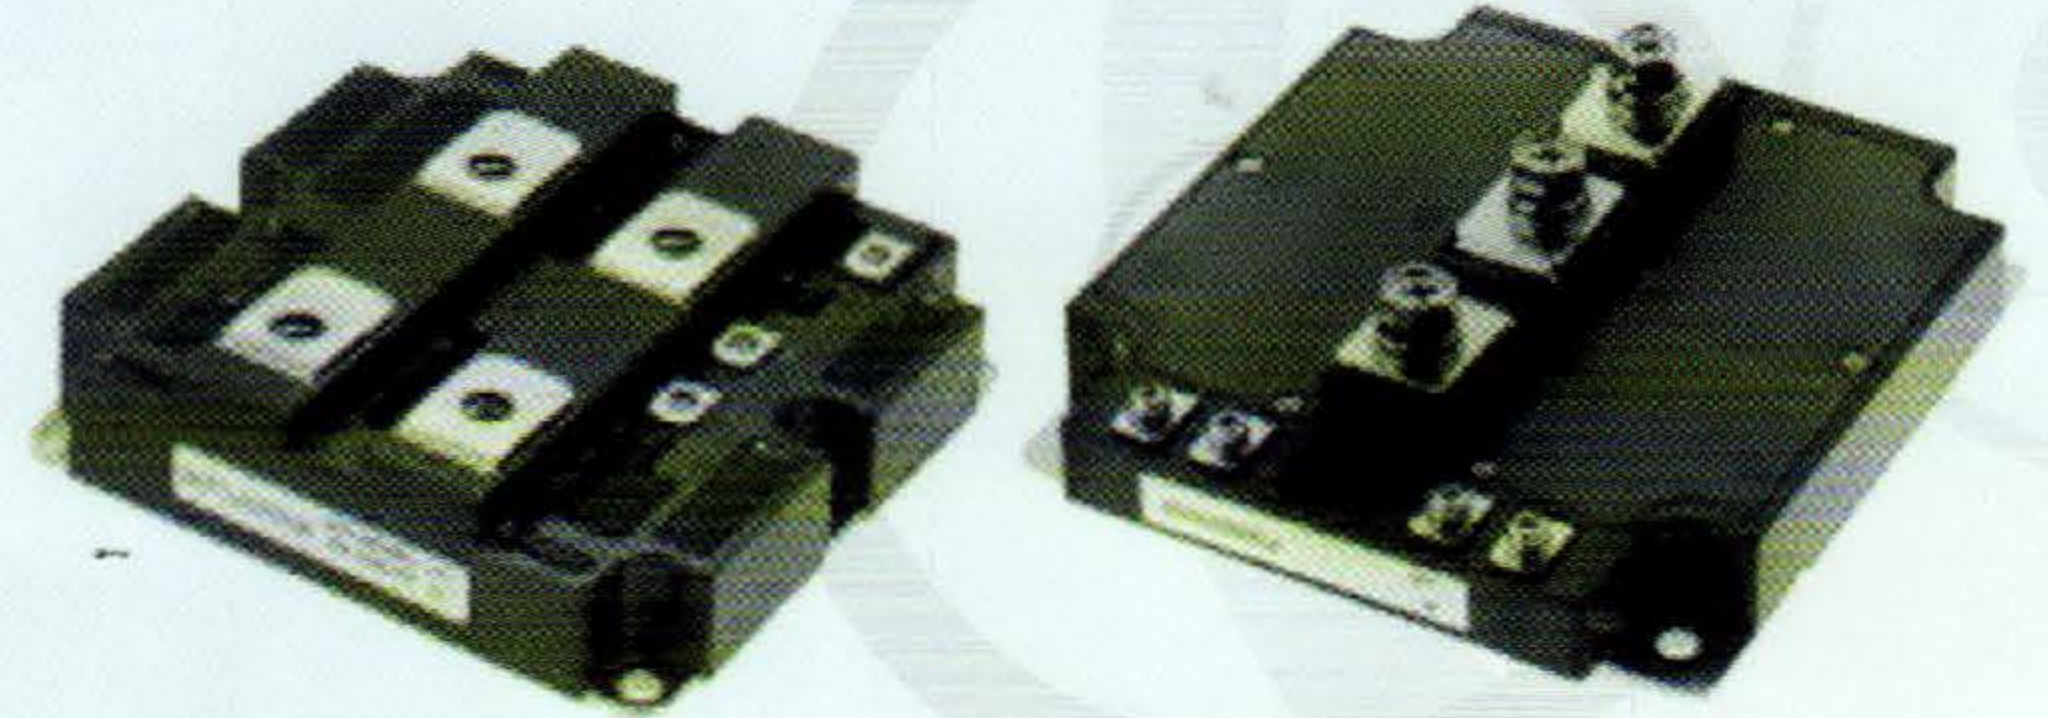

We are engaged in the specialized line of transformer, rapid fuse, capacitor, thyristor, fast recovery diodes, rectifier diodes, GTR, IGBT, IPM, PIM and other components. The brands covered MITSUBISHI, SANKEN, SANREX, FUJI, TOSHIBA, SEMIKRON, SIEMENS, MOTOROLA, IR, EUPEC and IXYS.

We have large stock and the parts are in good quality and at competitive price. We are looking for the good business opportunity and also there is quality guarantee.

We are committed ourselves to supplying our old and potential customer with satisfying service and topnotch products. Our company is a distributor of obsolete integrated circuits. Specialize in obsolete & hard to find electronic components, semiconductors, integrated circuits, transistors & capacitors, connectors, switches, relays, CPU's & hard drives.

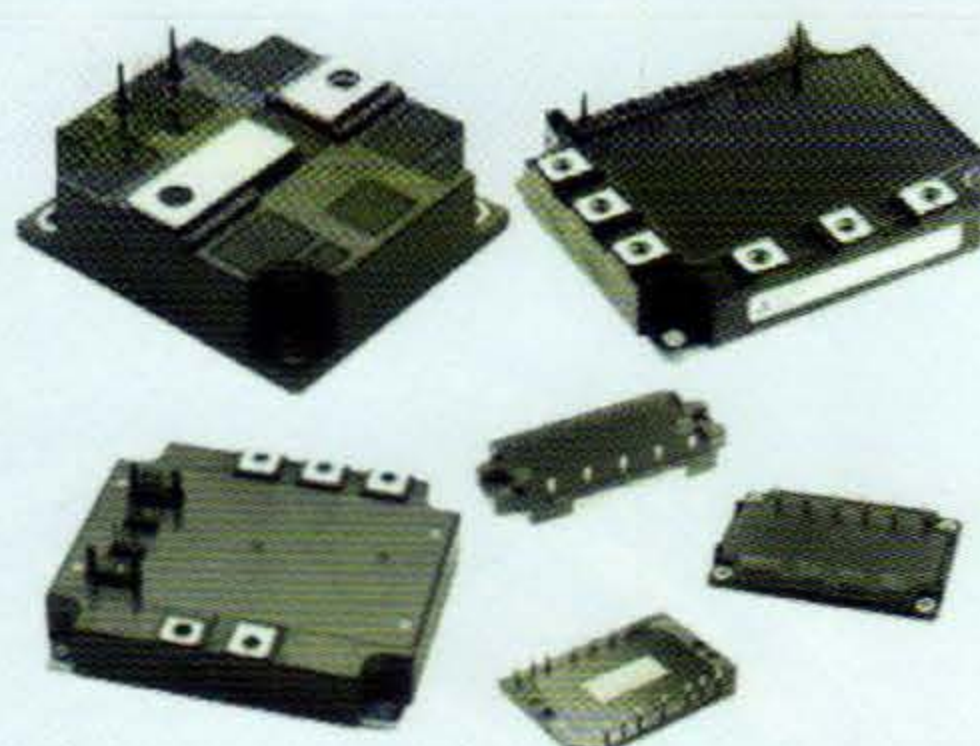

Rectifier, Freewheeling & Snubber Diodes

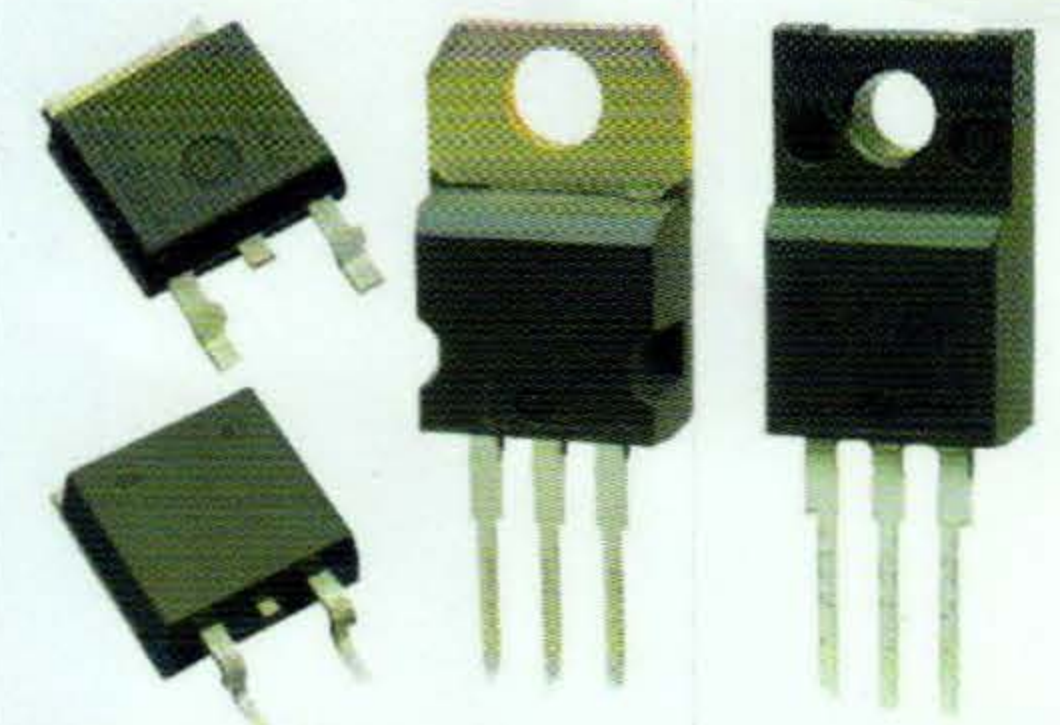

IGBT's, IGCT's & IGBT Driver

Power Assemblies, Heat Sinks & Clamps

IPM's

Mosfet

GTO Thyristors & GTO Driver

DC Converter Modules

Power Modules

Some of the products we daily carry in our inventory are:

TOSHIBA

Sanken

power electronics in motion
eupec

SIEMENS

HITACHI

FUJITSU

SEMIKRON
innovation+service

FAIRCHILD
SEMICONDUCTOR

infineon

SanRex

IXYS

Capacitors & Fuses

ONE STOP SOLUTION FOR YOUR INDUSTRIAL LEADING TECHNOLOGIES NEED.
