ABOUT US

Welcome to NIKOREX. Established since 1994, we are specialized in designing and manufacturing high quality display fixtures by different technologies and materials. Our company has advanced, efficient and strict management system, excellent production equipment and top technological strength, which ensure that we can produce high-quality products on time.

Over the past 28 years, we have been serving Malaysia & Singapore (12 years in Singapore) retailers and their retail display product's needs. NIKOREX persist in honest management for many years; obtain good reputation whether in same industry and major clients. Now, we are gained recognition by customer as a market leader in Retail Display Products.

OUR VISION

To be the leader of Display Equipment business in Asian.

OUR MISSION

- Collaborate closely with our business alliance to improve efficiency which creates mutual benefits.
- Priorities customers' requirement and need by working efficiently with full responsibility.
- Always seek for new business opportunity for the future and to create reasonable incremental value for associated parties.

NIKOREX

INDUSTRY SDN BHD

Quality control is at the heart of our operation and for years we have been designing and delivering quality fixtures to our clients. We have our own manufacturing department, including Power Press Department, Press Brake Department, Wire Mesh Department, Powder Coating Line, etc.
