AUTOMATIC TRANSMISSION FLUIDS (ATF)

HIGHTEC ATF DCG II

High-performance dual clutch transmission fluid based on HC synthesis oils. Specifically formulated for use in modern dual clutch transmissions with wet clutches.

Art.-No.: 25067
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 9006

High-performance ATF fluid with lowered viscosity for improved fuel efficiency. Specifically developed for use in state-of-the-art multi-speed automatic transmissions as per manufacturer's instructions. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 25051
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 9000

Multi-functional automatic transmission fluid (ATF) based on HC synthesis base oils. Suitable for use in the latest automatic transmissions as per manufacturer's instructions.

Art.-No.: 25020
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF DCG

HIGHTEC DCG (Dual Clutch Gear) is a novel automatic transmission fluid specifically developed for dual clutch gears. Based on the results of our in house tests on the VW direct-shift gearbox (DSG), we recommend this product for use in motor vehicles equipped with dual clutch transmission.

Art.-No.: 25035
Packaging: 1, 5 Liter

HIGHTEC ATF 9005

High-performance ATF fluid with lowered viscosity based on a special base oil matrix of HC synthesis oils and fully synthetic PAOs (polyalphaolefins). Specifically formulated for maximum fuel efficiency in modern 7-speed automatic transmissions as per manufacturer's instructions. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 25060
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 9008

High-performance ATF fluid with lowered viscosity for improved fuel efficiency. Specifically developed for use in state-of-the-art 6-/8-/9-speed automatic transmissions as per manufacturer's instructions. HIGHTEC technology: saves fuel and minimizes wear.

Art.-Nr.: 25063
Gebinde: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF CVT

High-Performance ATF based on the latest generation of HC synthesis basestocks. Specifically developed for use in modern CVTs (CVT= Continuous Variable Transmission) as per manufacturer's instructions.

Art.-No.: 25055
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 9004

High-Performance ATF based on the latest generation of HC synthesis basestock. Specifically developed for use in state-of-the-art 7-speed automatic transmissions as per manufacturer's instructions.

Art.-No.: 25050
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 8000

Multi-functional automatic transmission fluid (ATF) based on HC synthesis base oils. Suitable for use in the latest automatic transmissions as per manufacturer's instructions.

Art.-No.: 25012
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 9600

Premium automatic transmission fluid specifically developed to meet the latest DEXRON VI standard.

Art.-No.: 25036
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 9002

High-Performance ATF based on the latest generation of HC synthesis basestock. Specifically developed for use in state-of-the-art 5-speed automatic transmissions as per manufacturer's instructions.

Art.-No.: 25033
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 4000

High-quality mineral oil based automatic transmission fluid (ATF). Formulated for balanced performance.

Art.-No.: 25011
Packaging: 1, 5, 25, 60, 200, 1000 Liter

HIGHTEC ATF 3000

High-quality mineral oil based automatic transmission fluid (ATF). Formulated for balanced performance.

Art.-No.: 25010
Packaging: 25, 60, 200, 1000 Liter

STEERING FLUIDS

HIGHTEC ZH-M SYNT

Advanced fully-synthetic specialty hydraulic fluid for motor vehicles of the latest generation. Specifically developed for use in hydraulically supported level control, hydropneumatic suspension and power-assisted steering and brake systems.

Art.-No.: 30509
Packaging: 1, 25, 60, 200 Liter

HIGHTEC LHM PLUS

Special mineral oil based hydraulic fluid for hydraulically supported level control systems, hydropneumatic suspension systems as well as power-assisted steering and brake systems.

Art.-No.: 30501
Packaging: 1, 25, 60, 200 Liter

HIGHTEC ZH-M

Special mineral oil based hydraulic fluid for hydraulically supported level control systems, hydropneumatic suspension systems as well as power-assisted steering and brake systems.

Art.-No.: 30502
Packaging: 1, 25, 60, 200 Liter

HIGHTEC ZH-M POWER-STEERING-FLUID

Power steering fluid, specifically designed for use in conventional hydraulic power steering systems as per manufacturer's instructions.

Art.-No.: 30510
Packaging: 1, 25, 60, 200 Liter
