ROWE EXPERTISE IN OIL – HIGHTEC OILS FOR PASSENGER CARS

SYNTH RS SAE 0W-30 LV II

Fully synthetic multi-grade fuel-economy motor oil specifically developed for VW/AUDI engines with extended drain intervals including engines with pump nozzle technology. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20069
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNTH RS SAE 0W-40

Top-class fully synthetic fuel-economy multi-grade motor oil. Excellently suited for passenger car gasoline and diesel engines, both turbocharged and non-turbocharged. HIGHTEC technology: outstanding fuel efficiency and anti-wear performance.

Art.-No.: 20020
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT HC ECO-FO SAE 5W-20

Premium multi-grade fuel economy motor oil based on HC synthesis base oils for use in modern FORD passenger car gasoline engines, both turbocharged and non-turbocharged, as per manufacturer's instructions. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20206
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

MULTI SYNT DPF SAE 5W-30

Premium-class grade rationalization oil based on HC synthesis base stocks for advanced passenger car gasoline and diesel engines, both turbocharged and non-turbocharged including engines with soot particle filter (ACEA C3). Formulated with top-quality base stocks,

this top-class product delivers unsurpassed performance. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20125
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNTH RS DLS SAE 5W-30

Premium multi-grade fuel-economy motor oil based on HC synthesis base stocks for the latest passenger car gasoline and diesel engines, both turbocharged or non-turbocharged including engines with soot particle filter (ACEA C3). This top-class product is especially

suited for great rationalization. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20118
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT RS SAE 5W-30 HC-C1

Premium multi-grade fuel-economy motor oil based on HC synthesis base stocks for use in advanced passenger car gasoline and diesel engines, both turbocharged and non-turbocharged. Excellently suited for use in FORD and Mazda

vehicles equipped with diesel particle filter systems (ACEA C1) in accordance with manufacturer's instructions. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20109
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT RS SAE 5W-30 HC-C2

Premium multi-grade fuel-economy motor oil based on HC synthesis base stocks for use in advanced passenger car gasoline and diesel engines, both turbocharged and non-turbocharged. Excellently suited for use in PSA Group vehicles

equipped with diesel particle filter systems (ACEA C2) as per manufacturer's instructions. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20113
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT RS SAE 5W-30 HC-C4

Premium multi-grade fuel-economy motor oil based on HC synthesis base stocks for use in advanced passenger car gasoline and diesel engines, both turbocharged and non-turbocharged. Excellently suited for use in RENAULT vehicles

equipped with diesel particle filter systems (ACEA C4) in accordance with the manufacturer's instructions. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20121
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT RS SAE 5W-30 HC-FO

Premium multi-grade fuel-economy motor oil based on HC synthesis base stocks for use in advanced FORD passenger car gasoline and diesel engines, both turbocharged and non-turbocharged. Excellently suited for use in FORD vehicles equipped

with diesel particle filter systems in accordance with manufacturer's instructions. HIGHTEC technology: outstanding fuel efficiency and anti-wear performance.

Art.-No.: 20146
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT RS SAE 5W-30 HC

Premium multi-grade fuel-economy motor oil based on HC synthesis technology especially developed for FORD engines. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20024
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT RS SAE 5W-30 HC-GM

Multi-grade motor oil based on HC synthesis base stocks. Especially developed for and matched to OPEL engines. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20061
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

MULTI FORMULA SAE 5W-40

Special multi-grade fuel-economy motor oil based on HC synthesis technology for use in the latest generation of passenger car gasoline and diesel engines both turbocharged and non-turbocharged, including vehicles equipped with diesel

particulate filter (ACEA C3). This product covers a broad range of the current manufacturers' specifications and is therefore especially suited for use as a rationalization product. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20138
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT RS SAE 5W-40 HC-D

Premium multi-grade fuel-economy motor oil based on state-of-the-art HC synthesis basestocks. Suitable for use in passenger car gasoline and diesel engines of the latest generation. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20163
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SYNT RS SAE 5W-40i

Fuel-economy motor oil based on HC synthesis base stocks. Suitable for use in the latest generation of passenger car gasoline and diesel engines, both turbocharged and non-turbocharged. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20068
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk

SUPER LEICHTLAUF SAE 10W-40 HC-O

Advanced fuel-economy multi-grade motor oil based on HC synthesis base stocks. Suitable for use in passenger car diesel and gasoline engines, both turbocharged and non-turbocharged. HIGHTEC technology: saves fuel and minimizes wear.

Art.-No.: 20058
Pack. Unit: 1, 5, 25, 60, 200, 800 liter, bulk
