40LM

040 to 120

---72125 AND --R72125 SERIES

INTRODUCTION

This catalog presents the most commonly used replacement parts for the standard 40LM (50 Hz) Chilled Water Fan Coil Units and is not applicable to special units. The illustration are for reference only and the actual parts for a particular unit may look different from that shown in the illustrations.

ORDERING INSTRUCTIONS

- A. All orders and inquiries should include the complete model and serial number of the unit on which the parts are to be used, and the part number and description of each part.
- B. Dealers should forward orders to their Carrier distributor.
- C. Distributor should forward orders to :

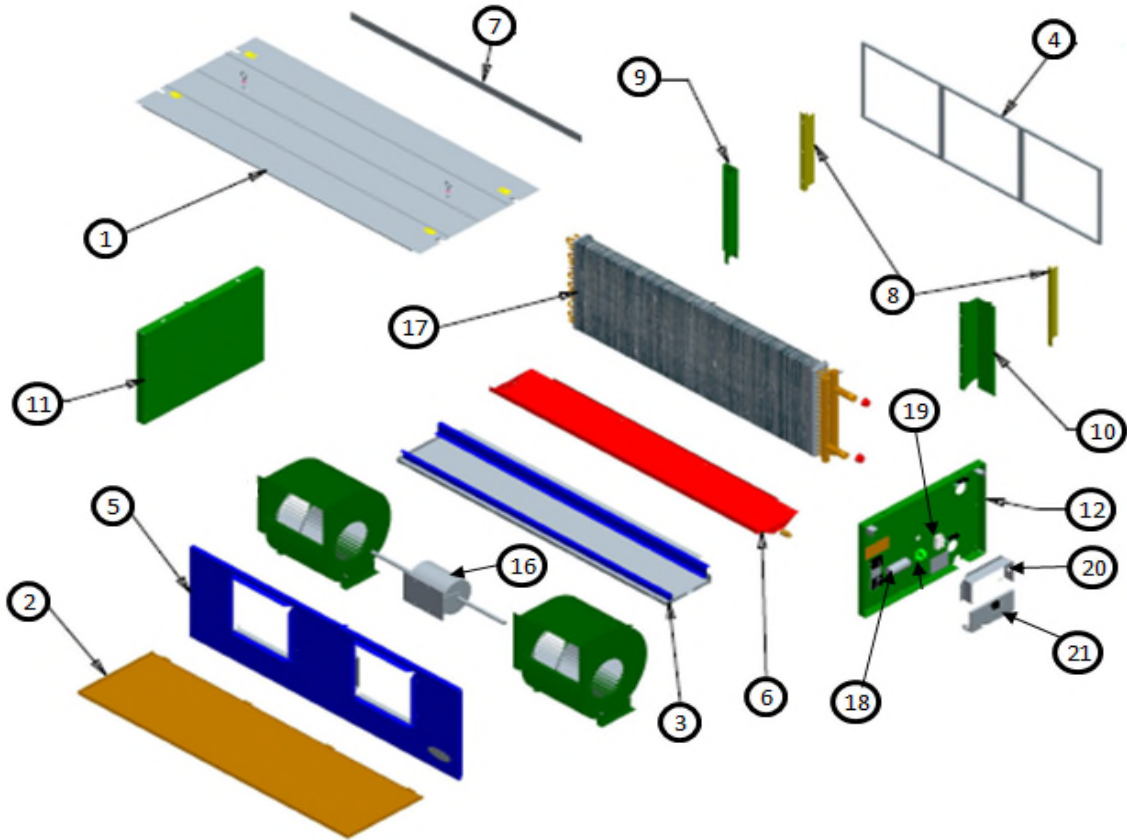

CARRIER INTERNATIONAL SDN. BHD.
Lot 4, Jalan P/6,
43650 Bandar Baru Bangi,
Selangor, Malaysia.

Tel : 60-3-89137600

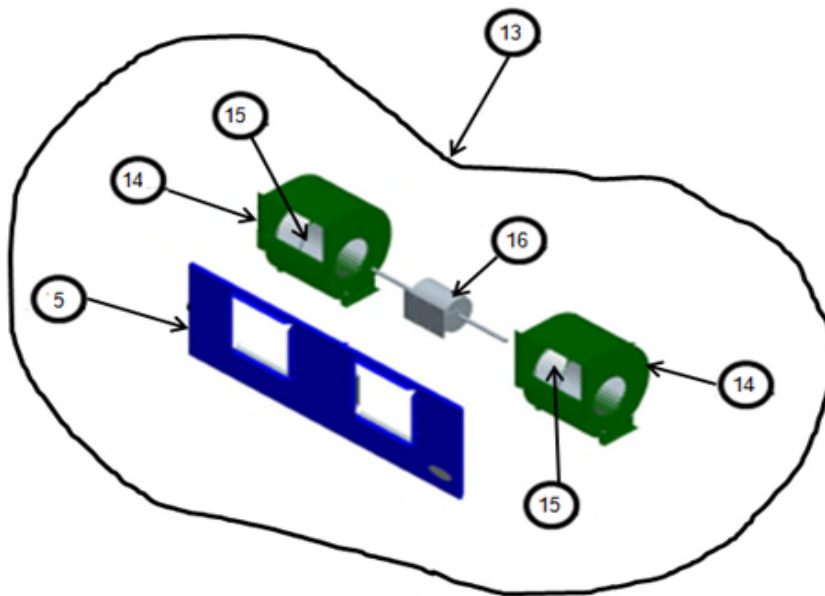

GENERAL NOTES

- (1) Casing parts and panels are not normally stocked, but are available upon request while in production. Requests for casing parts and panels for units no longer in production must be cleared through Carrier International Sdn. Bhd. for availability prior to submitting an order.
Certain parts are omitted in the interest of simplicity as orders for them are infrequent that a simple description of part, plus the model and serial number of the unit will be acceptable.
- (2) The replacement parts listed in this catalog are "Carrier Specified Parts" and as a result of "standardization", may not be identical to the original part furnished on the equipment.
