4<sup>th</sup> Ozone2Climate Technology Roadshow and Industry Roundtable on 6~9 November 2013 in Manila, Philippines

MACRA was invited by Department Of Environment (DOE) Malaysia to participant in this Roadshow and Roundtable Meeting and was represented by Mr. Beh.

The Industry Roundtable focused on promoting investment, research and development in zero-ODP, zero- or low-GWP and higher energy efficient technologies for the refrigeration, air conditioning, and foam sectors. The linkages between phase-out of hydrochlorofluorocarbons (HCFCs) and higher energy efficiency of alternatives were also deliberated and encouraged. The theme of the Manila Roundtable was "Focus on HCFC Phase-out Linked to Energy Efficiency and Climate Benefits in Asia Pacific in the Building Sector."
