Bitzer approved refrigeration lubricants

Bitzer has tested and officially approved Emkarate RL lubricants for use in all Bitzer compressors operating with HFC refrigerants.

Emkarate RL Lubricants approved by Bitzer:

Emkarate RL 32H = Bitzer oil code BSE 32

Emkarate RL 68H = Bitzer oil code BSE 55

Emkarate RL 170H = Bitzer oil code BSE 170

Used in Bitzer reciprocating, screw and scroll compressors, Emkarate RL lubricants ensure high performance, energy efficiency and reliability of your Bitzer compressor.

Always use an approved lubricant in your Bitzer compressor; Emkarate RL 32H, RL 68H & RL 170H.
