True Day/Night Wide Dynamic Range Box Camera

Honeywell Vista series VWTC-300P true day/night wide dynamic range box camera is designed to fit in any environment of surveillance in commercial and residential, as well as fit in any standard enclosure. The VWTC-300P features a high resolution with 480 TV lines, low light Lux reaching 0.0003 Lux in night mode, and outstanding image sharpness. Advanced DSP processing provides for a clear video with AWB, and the switch settable image controls such as AWB, AGC, BLC and flickerless, adapt the camera to any lighting situation to guarantee superior image quality. Furthermore, the VWTC-300P is equipped with WDR and privacy masking delivering an optimized performance for both extremely low light conditions and surroundings with intensive back light.

Installation is quick and easy as the camera comes completely assembled and ready to use and gives customers installation flexibilities – to be installed on wall, or located in the enclosures for various applications indoor or outdoor respectively.

All the security video options of VWTC-300P provide the finest surveillance to you. Set the VWTC-300P up around your area and form a neighborhood watch to capture all the actions by your own security camera. The protection is straightforward and trustworthy. You will find that round-the-clock monitoring practically eliminates muggings, damaging of assets.

Market Opportunities

Ever since the advent of small affordable video surveillance systems, protection of property has been a principal prevention against shoplifters. The VWTC-300P is an ideal selection for small scale surveillance solution, which provides property owners an added measure of security in protecting their residential apartment, commercial buildings, retail stores, offices and clinics. The utilization of VWTC-300P at the site provides equanimity for the owners and their clients. Never let a criminal get away. The business owners will be noted an increased number of clients in their buildings, offices, due to the fact that the clients are no longer afraid to come,

True Day/Night Wide Dynamic Range Box Camera

SPECIFICATIONS

Model	VWTC-300P
Scanning System	PAL
Scanning Mode	2:1 interlace
Scanning Frequency (H)	15.625kHz
Scanning Frequency (V)	50Hz/60Hz
Sync. System	Internal Sync.
Image Sensors	1/3inch Interline Transfer SONY HAD CCD
Total Pixels	795 (H) x 596 (V)
Effective Pixels	752 (H) x 582 (V)
S/N Ratio	More than 48dB (AGC Off)
Horizontal Resolution	480 TV lines
Video Output	Composite (1.0Vp-p), 75Ω
Day & Night Mode	(ICR) Double IR Cut Filter
Digital Zoom	X3
Wide Dynamic Range	ON/OFF
Lens Mount	C/GS
Iris Control	Video, DC, electronic iris
Electronic Shutter	1/50~1/100,000 seconds
Minimum Illumination	0.3 Lux (color), 0.0003 Lux (black and white)
I/O Connection	Power (2 Pin mode), Video (BNC)
White Balance	Automatic
Function Switch	Automatic gain, backlight compensation, flickerless (On/Off)
Input Voltage	DC12V/AC24V
Dimensions	64 (W) x 57.6 (H) x 124.6 (D) mm
Weight	App. 430g

ORDERING

VWTC-300P	Box Camera, 480TVL, 0.3lux (color)/0.0003lux (b/w), WDR, TDN, 24VAC/12VDC, PAL
