## CASE STUDIES

A. We are proud to announce Singapore Traffic Police has tested and approved the use of SIMICON speed detectors for all their patrol cars.

B. We implemented a very efficient and cost-effective way of using SIMICON portable speed detectors for monitoring bi-directional highway traffic for Thailand Traffic Police.

C. Indonesia Traffic Police uses SIMICON portable speed detectors for both in-vehicle and hand-held application for their daily operation.

D. Malaysia national oil and gas company (PETRONAS) uses SIMICON hand-held speed detectors to monitor lorries and trucks entering and exiting the premises. Ensuring these vehicles are kept within the strictest speed limit.

E. Phillips Asean Pacific Center Singapore installed our specially designed and customized MSS turnstiles at every level

F. We installed biometric readers, time attendance, facilities booking system and full height turnstiles for the entire Nanyang Girl's High School.

G. General Electric Oil and Gas (Baker Hughes) deployed our tripod turnstiles due to strict movement monitoring within their premises.

H. Changi Jetty Ferry Terminal new construction site chooses our customized tripod turnstiles (with biometric readers) to ensure legal workers are authorized to work there.

I. Panalpina World Transport integrate their access control and time attendance system into our full-height turnstiles.

J. Speed detectors with customized backend solution were deployed for Intelligent Traffic Solution in throughout Vietnam (Dongnai, Quang Nam, Bac Lieu, Da Nang, Kien Giang, Can Tho, Dak lak, Tay Ninh and Ha Noi) .

K. Our tripod turnstiles have been chosen by Viettel Communication for their key transportation project BRT (Bus Rapid Transit) stations in Hanoi, Vietnam.

L. We designed, supplied and installed CCTV system for all the hotels under Far East Hospitality Group Singapore.

M. We supplied technical engineers for maintaining security systems at Changi International Airports.

N. We designed, supply and installed marineCCTV system for Panoil (Unika), Panoi (Royalty), Panoi (Jazeel), APL Marine, Marine Grade CCTV.
