	ENVIRONMENTAL POLICY	Rev No:	00
		Effective Date:	27.12.2018

KENKO FOOD SDN. BHD. is committed to environmental leadership in all of its business activities. We provide policies to provide a safe, healthful workplace, protecting the environment, conserving energy and natural resources. With these policies in place, we believe that we can achieve a healthy and safe environment. As such, we are committed and will;

- Provide a safe and healthful workplace and ensure that personnel are properly trained with the appropriate safety and emergency equipment.
- Be an environmentally responsible neighbour in the community where we operate and correct incidents or conditions that endanger health, safety or the environment.
- Conserve natural resources by adopting pollution prevention practices.
- Develop and improve operations and technologies to minimize waste and other pollution, minimize health and safety risks and dispose of waste safely and responsibly.
- Meet and exceed all applicable federal, state, local and company environmental, safety and health standards.
- Promptly report all non-compliance issues in accordance with applicable governmental reporting requirements, evaluate causes of non-compliance and implement corrective actions.
- Closely monitor all facilities for prevention of pollution.
- Convey to our customers, industry associates and general public our strong environmental, safety and health commitment.
- Strive to continuously improve our commitment to the above stated principles through exercise of our Environmental Management System (EMS), improved technology and production changes.
