WanFengLin

(Forest of Ten Thousands Peaks)

It is grand and magnificent with peculiar style, and it is praised as "marvelous spectacle in the world". It is not far away from center town of Xingyi city, around ten minutes. Although it is near downtown, but it is different from city, it is not as noisy as downtown; on the contrary, it is quiet and peaceful. You can not only see beautiful scenery here but you can enjoy minority folk custom also. And it was awarded as "national key scenic area" "one of the most beautiful peak forest in China"

TianXing Bridge is 6 kilometers away from the HuangGuoShu Waterfall, involving Tianxing potted landscape, Tianxing Cave Scenery and Rock Forests, and merges grotesque mountains, rocks, caves and waters into a whole. It is noted for narrow gorges, aquatic stone forest and karst caves.

Maling River Canyon : Maling River runs through the Maling River Canyon which is said to be the scar (an earth crack) on the ground. It is the 100 kilometers (62 miles) long and 200-400 meters (656-1312 feet) deep crack created the most spectacular landscape of the scenic area. Waterfall groups, hanging rocks and cliffs are the highlights in the valley.

HuangGuoShu Waterfall

Huangguoshu Waterfall, a milky way in miniature, is the largest waterfall in Asia. Seventy-four meters (243 feet) high and eighty-one meters (266 feet) wide, it is a scenic marvel in Anshun.

Jiaxiu Pavilion was originally built in 1589. The builder Jiang Dongzhi, an imperial inspector, who named it Jiaxiu Pavilion indicate the people in Guiyang are the finest and most talented under heaven. This triple-roofed building stands 20m high and was once known as the landmark of Guiyang.

The roar of the water can be heard some kilometers away. Rainbows appear on sunny days, adding a touch of extra beauty to the majesty of the cascade.

Qianling Scenic Area in Guiyang is named after Mt. Qianling. In the park, there are tall ancient trees, limpid springs, oddly shaped rocks and towering mountains. As one of the noted gardens on the Guizhou plateau, it boasts clear waters, green mountains, tranquil forests and old temples. It is also home to macaques and various kinds of birds.
