TERMS & CONDITIONS

By filling out this application form, the applicant gives consent that OBSNAP INSTRUMENTS SDN BHD's

(1) **Subject to Change**

If unexpected circumstances arise and that we were unable to handle your free service now and must postpone or if we missed out an important update on our service. We'll provide a notice within our channels ([Facebook](#), [Website](#) & Direct Email). Please ensure that you read any such notices carefully.

If you do not wish to continue using the Service under the new update, you may terminate this Agreement by emailing back this form to marketing@obsnap.com with a request to cancel this offer.

(2) **No Service Charge**

If applicant requested for only 3 types of samples (or below) to test on. There will not be any fee.

(3) **Additional Service Charge**

A pricelist / quotation will be provided to measure additional samples above 3.

(4) **Measuring Results Procedure**

Our Product Specialists(s) will guide you on how further proceedings will be done.

(5) **Media Recording**

Only during the measurement process, there will be a photograph or a video taken to promote our services in the future. This includes when client is using our measuring tool too.

(6) **Data Privacy**

All data collected from this form will not be given to any third parties and will only be used and accessible to the related applicants and OBSNAP INSTRUMENTS SDN BHD members, media channels & customer reference purposes.

I hereby acknowledge that I have read and understood the terms and conditions as provided by Obsnap Instruments Sdn Bhd (599642-A).
