

APEX DYNAMICS, INC.

Rack & Pinion

- High Precision
- High Loading
- High Speed
- Low Noise
- Long Life-Time
- Quick Delivery

- Easy to install
- High input speed
- High output torque density
- Low backlash
- Maintenance-free
- Noise reduction
- Low vibration
- Long life
- The excellent resistance
- Powerful online sizing software

PII Series

- Output torque : 8 Nm - 459 Nm
- Low backlash
- 1-stage : $\leq 6 \sim 8$ arcmin
- 2-stage : $\leq 8 \sim 10$ arcmin
- Easy mount
- Low noise
- Compact structure

AF Series

- Output torque: 14 Nm - 2000 Nm
- Low backlash
- 1-stage : ≤ 1 arcmin
- 2-stage : ≤ 3 arcmin
- Easy mount
- Low noise
- Compact structure

AB Series

- Output torque : 14 Nm - 2000 Nm
- Low backlash
- 1-stage : ≤ 1 arcmin
- 2-stage : ≤ 3 arcmin
- Easy mount
- Low noise
- Compact structure

AT Series

- Output torque : 12 Nm - 3,200 Nm
- Low backlash
- 1-stage : ≤ 6 arcmin
- High efficiency
- 1-stage : $\approx 98\%$
- Easy mount
- Low noise
- Compact structure

AE Series

- Output torque : 14 Nm - 2000 Nm
- Low backlash
- 1-stage : ≤ 8 arcmin
- 2-stage : ≤ 12 arcmin
- Easy mount
- Low noise
- Compact structure

AT Series

- Output torque : 12 Nm - 3,200 Nm
- Low backlash
- 1-stage : ≤ 6 arcmin
- High efficiency
- 1-stage : $\approx 98\%$
- Easy mount
- Low noise
- Compact structure

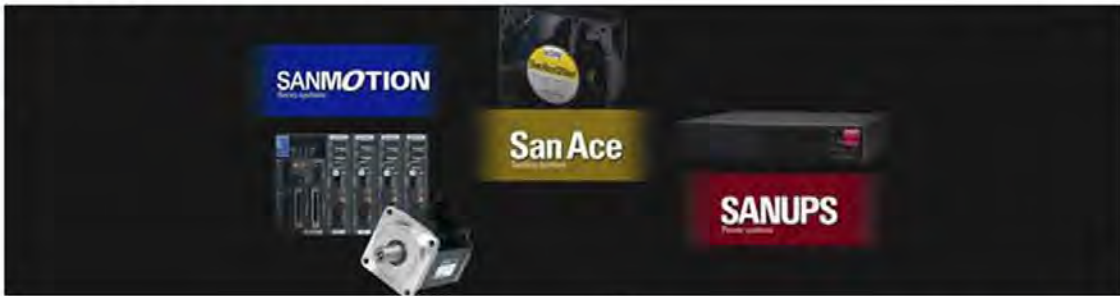

PII Series

- Output torque : 14 Nm - 2000 Nm
- Low backlash
- 1-stage : ≤ 1 arcmin
- 2-stage : ≤ 3 arcmin
- Easy mount
- Low noise
- Compact structure

K Series

- Output torque: 8Nm-1600Nm
- Low backlash
- 1-stage ≈ 3 arcmin
- High efficiency
- 1-stage ≈ 96
- Easy mount
- Low noise
- Compact structure

High Reliability Standard Switching Power Supply
— one stop shopping for all power you need —

iMS is one of the leading company in *Motion & Control Technology Industrial*. We are providing Motion Solutions, Motion Devices & Electrical Control Components to Factory Automation, Manufacturing Plant & Industrial Automation Sector.

With a focus on automation solutions that help our customers meet productivity objectives, iMS brings together leading brands in industrial automation. Namely, *FESTO, Autonics, Shihlin Electric, Apex Dynamics, Sanyo Denki, MEISTER, GGM, EDRIVE, ElectroCraft, Mitsubishi, Panasonic, UIRobot, UNIPULSE* & etc. Partnering with these manufacturers, iMS manages to maintain its reputation in providing quality, reliable, innovative products and services.

iMS Motion Solution (Johor) Sdn.Bhd. (Co.No.1098771-W)

No.7, Jalan Sasa 4, Taman Gaya, 81800 Ulu Tiram, Johor, Malaysia
