Supplementary Skin Care Series

Cleansing Milk

Use to remove make up or for double cleansing that effectively removes impurities from the skin.
Use as the 1st step cleansing and followed by Face/Body Wash.

Deluxe Scrub

For deep removal of dead skin cells & other skin impurities. Regular use will help skin glow, free from spots and other skin problem as the other skin care products will be absorbed efficiently into the skin.

Recommended 1-2x a week usage.

Caution: Skin with inflammation must refrain from using it.

Remark:

- Please consult our Therapists/Consultants for more effective use.
