EcoStruxure™
Maintenance Advisor eXLhoist

Digital service platform for crane manufacturers

Maintenance service optimization

Maintenance planning made easy with Safe Working Period, Load Spectrum and operation data on single platform
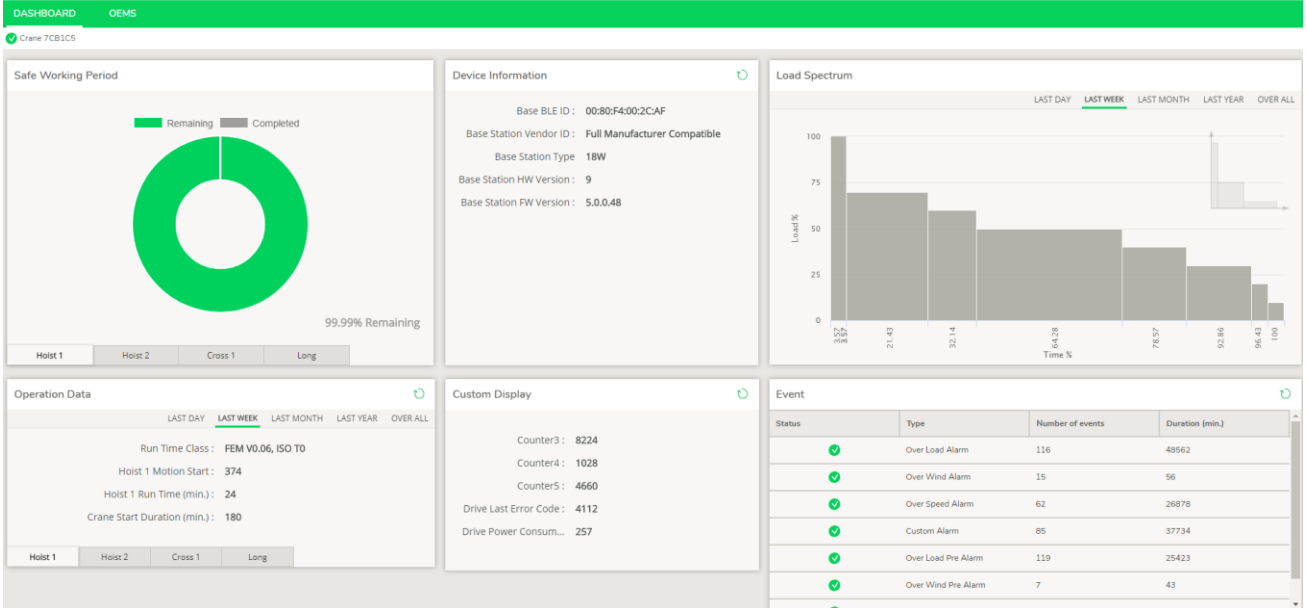

Event Notification

Events are time-stamped and notifications are sent via email and SMS.

Visibility and Traceability

Asset data can be traced and accessed for usage analysis. Extended diagnostic scope is made possible via Modbus connectivity with other devices

Plug and Play installation

Non intrusive solution. Data are sent to cloud without accessing factory's IT infrastructure

EcoStruxure™ Maintenance Advisor eXLhoist dashboard
