

E20 Smart Elderly Care Sensor c/w Fall Detection

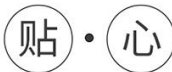

CARE for your love one...

Early alert of RISKS

“I know, miss my calls are not your ignorance, merely because you can not hear.”

With **E20**, I assure you, I just round your wrist, stay connect with your always.

我知道，打不通电话，
不是你不愿接
是你真的听不到

不止有铃声与震动提示，
更能设置自动接通，
我在这头，与你永远连线。

“When I was young, your heart in pain whenever I fall. Now, let me care for you every day.”

With **E20**, in case of anything happen, I will get informed the earliest.
