Complimentary letter for products and services

Dear Mr Teo,

I am writing this letter to thank you for your prompt response during our Company LED light changing project for the past few months. With the CoolLED light supplied by you, now we have a brighter and safer environment to work at.

I have recommended your Company to others because of our satisfaction and confidence with your products. I want you to know that we appreciate your efforts and look forward to continuing our business relationship.

Thank you.

Sincerely,

Dorothy Lim
