

Company Profile

Founded in 1995, by experienced specialist in the emergency system field, SKYACE (M) SDN BHD has been highly acknowledged as a major player for supplying and marketing custom made charger/rectifier/ebops, valve regulated lead acid (VRLA) or sealed lead acid (SLA) battery, nickel cadmium stationary battery and related accessories for the industrial contractors, OEM power system suppliers, tele-communication providers (Telcos), security & alarm, solar and standby power provider industries.

Our main office is located in Shah Alam, Selangor, Malaysia. We have been supplying as well as contracting projects under contractual basis for projects that includes Technology Park Malaysia (TPM), SJMC, Sapura, KPJ Specialist Hospitals & Maxis. These projects are amongst some of our joint efforts and experienced that we gained. (Please see our projects list in Download page !)

ITS Intertek Testing Services
ETL 523000

Certificate of Test

Issued to: MSB Storage Battery Manufacturing S/B
Item Tested: Valve Regulated Lead Acid Batteries
Model: MSB 100 and MSB 200
No. of Samples Tested: 07 (Number of each model)

The sample batteries were evaluated on 7 test procedures specified in MSB MS 1-100. The test schedule and results are tabulated below:

Test	Result
1. Capacity	Pass
2. Self Discharge	Pass
3. Temperature Coefficient	Pass
4. Charge Efficiency	Pass
5. Voltage Regulation	Pass
6. Short Circuit	Pass
7. Life Cycle	Pass

For tests (Subtests 1, 2 and 3) where the MS Standard requires a result at least as good as that of the manufacturer's stated performance or published literature, the samples conformed. Where any test was found to be outside (Fail, Substandard) it is to the average value and indicated above.

Certificate of Conformity

Issued to: Selangor Sembaga Storage Sdn. Bhd.
Item Tested: Valve Regulated Custom Battery
Model: MSB1, MSB2 and MSB3
No. of Samples Tested: 21 (Lots of each model)

Sample were tested by and found to be in conformity with the following test procedures specified in MSB MS 100-200:

Test	Result
1. Capacity	Pass
2. Self Discharge	Pass
3. Temperature Coefficient	Pass
4. Charge Efficiency	Pass
5. Voltage Regulation	Pass
6. Short Circuit	Pass
7. Life Cycle	Pass

Certificate of Registration

The certificate has been issued to:

MSB Manufacturing Sdn. Bhd. (MSB22-A)
No. 5, Jalan Sungai Rapi, 5/1 Technology Park Industrial Park, Section 5E,
40150 Shah Alam, Selangor Darul Ehsan, Malaysia

In recognition of its compliance to Quality Management System which conform with:

ISO 9001:2008

The scope of activities covered by this certificate is defined below:

Manufacture and Assembly of Sealed Sealed Lead Acid Battery, Nickel Cadmium Battery and Traction Battery

Issued to: *[Signature]*
