

PROLINE

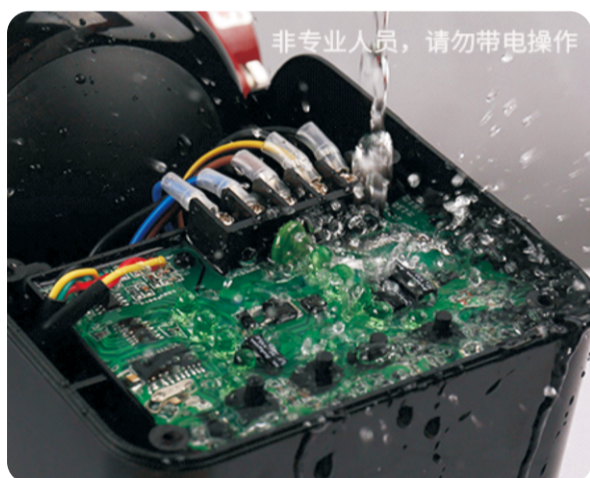

AUTO ADAPTIVE CONTROLLER

PROLINE Auto Adaptive Controller

Automatic adaptation

Auto-distinguished height,
No need setting.

Water Shortage Protection
Waterproof IP65V
Voltage range: 100~240V,50/60Hz
Temperature range: -40~130°C
Max Current: 30A
Pressure: 0-10 bar
Auto-adaptive control
Pump power: 0.1kw – 2.2kw
Pump head: 0 – 100m
Energy saving: < 5w per day

- Use height of different floors
- Waterproof
- 100-240V
50/60Hz
Wide voltage
Universal frequency
- Low noise
- High efficiency
and energy saving
- Super durability
