

REF-VAC

Item Number 4686712

Vacuum measuring device to control the evacuation process on the construction site or in the laboratory.

- Precise vacuum display from 18000-0 micron
- Seven selectable vacuum units (Micron, mbar, Pa, Torr, mTorr, psi and inHG)
- Large LCD Display
- Simple control with three buttons
- Extremely robust
- IP54

Technical Data

| | |
|-------------------|---|
| Material | ABS TPE Brass |
| Colour | yellow (RAL 1023) green (RAL 6026) |
| RoHS Conformity | 1 |
| RoHS Conformity | Yes |
| Remarks | <p>Including hanging hook Including REF-VAC-T (forged flare branch tree - 3 x 1/4"SAE)</p> |
| Working Pressure | 34 bar |
| Gas Connection | 1/4" SAE |
| Pressure Scale | inHg mTorr Torr Pa micron mbar psi |
| Temperature Range | 0 - 40 °C |
| Pressure Range | 18'000 - 0 micron |
| Battery | 3 x AAA |
| Pressure Type | Absolute Pressure |
| Packaging | Blister |

| | |
|--------------------|--|
| Sensor Type | Pirani Sensor |
| Accuracy | +/-10% 0-100 micron, +/-6% 101-750 micron |

Accessories

| | | |
|---------|--------------------------|---------------------------------------|
| 4687701 | 32525 | Valve core replacing tool, 1/4"SAE |
| 4687740 | 32525-5/16"SAE | Valve core replacing tool, 5/16"SAE |
| 4687631 | SWIVEL-ARM- 1/4"SAE-N | Swivel arm for vacuum gauge, 1/4" SAE |

Spare Parts

| | | |
|---------|-----------|---|
| 4687845 | REF-VAC-T | Forged female flare branch tee also for REF-VACconnection: 3 x 1/4" SAE, with O-ring |
|---------|-----------|---|
