

PANTECH GALVANISING SDN. BHD.

(1162100W)

A member of Pantech Group Holdings Berhad

**QUALITY & PUNCTUALITY
IS OUR TOP PRIORITY**

Introduction

Pantech Galvanising Sdn. Bhd. ("PGSB"), incorporated on 13th October 2015, is located in the southern state of Peninsular Malaysia, Johor Darul Takzim within the vicinity of Kawasan Perindustrian Tanjung Langsat. It is a subsidiary of Pantech Group Holdings Berhad, a company listed on the Main Market of Bursa Malaysia.

PGSB's mission is to provide high-quality hot-dip galvanizing services for fabricated structures, pipes and tubes, fittings and parts to meet the expanding and increasing demand in its geographical region. We provide client specific services to customers who are in strategic industries such as Oil & Gas, Offshore, Marine, Petrochemical, Construction and Engineering.

PGSB has a highly disciplined workforce, dedicated to the company's Mission, capable of advising and recommending the best solutions for all customers.
