

UNIVERSAL POWERWASH

A powerful heavy duty alkaline cleaner and degreaser

UNIVERSAL POWERWASH is a powerful, high alkaline cleaner designed to remove a wide range of soils including oils, grease and grime from vehicle chassis, vehicle bodies, heavy plant and equipment. UPW will also remove food residues, fats, oils and carbonised deposits from food processing machinery and surfaces.

ADVANTAGES

Removes oil, grease and grime.

Can be used to clean the grease, mud and crude from tools and equipment.

Ideal for cleaning surfaces before applying any type of coating to vessels, inside and outside of crude oil storage tanks and fabricated structures.

Concentrated formula containing 7% sodium hydroxide ensures rapid penetration of stubborn deposits and economical dilution rates.

Contains water softeners and soil suspenders to remain effective even in areas with exceptionally hard water.

Suitable for manual or pressure washer application.

Non perfumed.

TYPICAL APPLICATIONS

- Universal Powerwash may be used to degrease and clean commercial vehicle chassis, plant and equipment
- Universal Powerwash has wide ranging applications in all areas involved in food production, including food processing, slaughterhouses, canteens, warehousing and transportation
- Universal Powerwash is suitable for manual or pressure washer application

APPLICATION INSTRUCTIONS

1. May be diluted with hot or cold water though for optimum performance hot water is preferred
2. Apply to surfaces ensuring complete coverage
3. Allow a short contact time to penetrate and lift dirt
4. Agitate stubborn deposits where required
5. Do not allow to dry onto surfaces
6. Rinse thoroughly with clean water

Dilution rates will vary depending upon the type and degree of soiling

For light soiling dilute Universal Powerwash with up to 100 parts water. For normal use/medium soiling dilute with up to 30 parts water. For heavy soiling dilute with up to 10 parts water.

Note : Strongly alkaline solutions may adversely effect aluminium and galvanised surfaces, ensure therefore that contact with these surfaces is prevented/minimised.

UNIVERSAL POWERWASH

A powerful heavy duty alkaline cleaner and degreaser

TECHNICAL DATA

APPEARANCE	Liquid
COLOUR	Light brown
ODOUR	Mild
RELATIVE DENSITY	1.11
pH-VALUE, CONC. SOLUTION	>13.0
PACK SIZE	5 litre, 20 litre, 210 litre & 1,000 litre IBC

PRECAUTIONS

Avoid spilling, skin and eye contact. Wear suitable protective clothing, gloves and eye/face protection.

APPROVALS & REGISTRATIONS

Scientifics Approved

UK Coal Hazard

STORAGE PRECAUTIONS

Store in tightly closed original container in a dry and cool place.

HEALTH AND SAFETY

Health and Safety Data sheet available separately.
