

WEBSTER WSG SERIES

Submersible Grinder Pump

DOUBLE KNIFE CUTTER

Webster submersible grinder pumps stand out for their ability to handle wastewater with solids effectively, operate submerged with minimal noise and maintenance, and fit into both residential and industrial systems with high reliability.

They're ideal where clogging and solids are a concern — such as sewage systems, wastewater treatment, and commercial drainage.

SPECIFICATION

Model	Power (P ₂) kW	Rated Flow Q _n (m ³ /h)	Rated Head H _n (m)	Speed (r/min)	Outlet DN DN(mm)-PN6
WSG-75M	0.75	10	10	2860	50 / G2"
WSG-110M	1.1	10	15	2860	50 / G2"
WSG-150M	1.5	6	20	2860	50 / G2"
WSG-220M	2.2	6	28	2860	50 / G2"
