JANUARY

The world is a book and those who do not travel read only one page.

FEBRUARY

Certainly, travel is more than the seeing of sights. It is a change that goes on, deep and permanent, in the ideas of living.

MARCH

Somewhere on your journey don't forget to turn around and enjoy the view.

APRIL

When you travel, remember that a foreign country is not designed to make you comfortable. It is designed to make its own people comfortable.

MAY

Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do.

JUNE

The real voyage of discovery consists not in seeking new landscapes, but in having new eyes.

JULY

All travel has its advantages. If the passenger visits better countries, he may learn to improve his own. And if fortune carries him to worse, he may learn to enjoy it.

AUGUST

Better to see something once than hear about it a thousand times.

SEPTEMBER

We live in a wonderful world that is full of beauty, charm, and adventure. There's no end to the adventure we can have if only we seek them with our eyes open.

OCTOBER

Explore with your heart and eyes wide open, the world has so much left to offer you.

NOVEMBER

Travel opens your heart, broadens your mind, and fills your life with stories to tell.

DECEMBER

The journey of a 1,000 miles begins with a single step.
