

PRODUCT SHEET

Precooked pasta – ready to use

Precooked pasta

Serving fresh pasta within 2 minutes is hard to beat. Our precooked pastas save your chefs a lot of time and effort in the kitchen. Simply warm the pasta up for a minute or so in hot water and serve. For large users any halal pasta of their choice can be precooked and packaged in large volumes

PACKAGING

5*2 KG pouch per carton

PREPARATION & COOKING

From frozen: do not thaw. Place immediately in hot water.

From chilled: heat up in hot water or microwave.

Restaurant/banquet: place the pouch in a hot water bath.

Catering/ready-to-use meals(frozen): scoop portion into serving tray; cool or freeze meal for storage. Just before serving, warm up in oven or microwave.

SHELF LIFE

Chilled 2-5 °C: 2 weeks
Frozen -20 °C: 6 months

APPLICATION

Standardize the taste and texture across your chain.
Least preparation time with no other resources required.
Make the plates cold and heat up later.

CUSTOMIZING
