Air Conditioners

EFFORTLESS TOUCH BUTTON - EASE OF USE

Operation touch panel eliminates confusing manuals. Purifying starts with a simple touch. Control with your fingertips is definitely exceptional.

AUTO MODE

Automatically optimize air quality according to the indoor air pollution

FILTER NET RESET

Provide a timely warning when filter need to be replaced. This is to ensure you are embracing purest air always.

SPEED OPTION

Four gear of wind speed allows you to adjust the air flow according to your preference

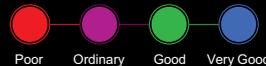

SILENT PATTERN

Minimize fan speed to ensure quiet and pleasure environment

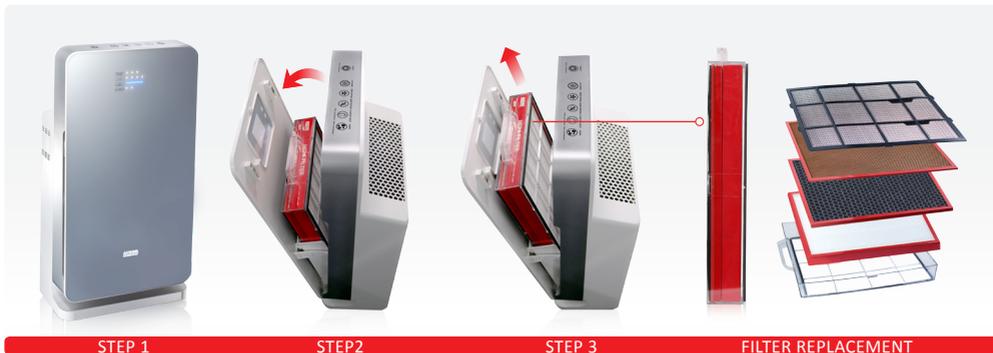

AIR QUALITY INDICATOR

Reflects real time indoor air quality by displaying different LED lighting.

Simplest Filter Maintenance

All-in-one filter drawer design save you from the hassle of complicated filter replacing procedure. You don't have to dismantle the filter layer by layer from now on. **ACSON PUREO** filters design makes your life healthier and easier.

Enjoy Purest with Hassle-free

Kids Friendly Design

With Child-lock function, you can now keep your air purifier safe from children.

Control in your hand

You don't have to walk across the room to switch the working mode. Use the remote. The effective length of the signal is up to 10m.

Night Mode

Built with smart sensor, it will adjust lighting of LED light indicator and fan speed according to the environment light intensity. It works together with you in day times, works in dark and silence while you are sleeping.

*Applicable when Pureo is under Auto mode.

SLIMMER & ELEGANT DESIGN

The performance of Acson air purifier is optimized with slimmer body and extraordinary flow path design to promote higher efficiency.

MODERNIZE AIR FLOW

Dull air aside, Freshness up to purest for you.

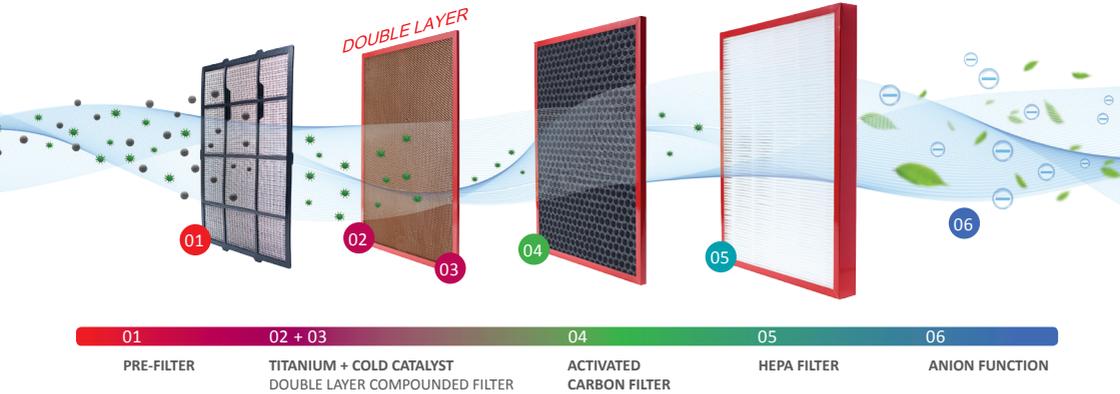

Normal

Pureo

Specification

PUREO Air Purifier

Filtration System	Pre-filter	
	Titanium + Cold Catalyst Double Layer Compounded Filter	
	Activated Carbon Net Filter	
	HEPA filter	
	ANION Function	
Recommended Room Size	up to 35 m ²	
CADR	255 m ³ /h	
Fan Speed	4 Level (First / Second / Third / Forth)	
Power Supply	AC220-240V / 50-60Hz	
Power Consumption	60 W	
Noise Level (dB)	(H/M/L/S) 61/54/46/41	
Remote Control	Yes	
Dimension	Unit Dimension (Width x Depth x Height)	340 x 195 x 650 mm
	Packaging Dimension (Width x Depth x Height)	386 x 261 x 710mm
Weight	9.2 kg	

*CADR = Clean Air Delivery Rate
