

# **AIROFOG**

## **THERMAL FOGGER**

- LOW NOISE LEVEL
- HIGH & OPTIMAL PERFORMANCE

### Anti-Corrosion:

Parts are made of high quality bronze/alloy/stainless steel

### No Petrol Overflow:

Swirl vane ignition spark / new intake valve design

### Minimal & Easy Maintenance:

Unique carburetor design

### Immediate Start-up:

Electronic buzzer ignition coil

## **TECHNICAL SPECIFICATIONS:**

### **AR35**

Dimensions (cm)	W27 × H34 × L133
Weight, empty approx.:	7.7 kg
Combustion chamber output: approx..	20.2 KW/27.5PS
Fuel tank capacity (stainless steel):	1.2 L
Fuel consumption-approx.:	2.2 L/H
Overpressure in the fuel tank approx.:	0.1 bar
Solution tank capacity (stainless steel):	cap. 5.7 L
Solution output approx.:	8-42 L/H
Conveying pressure in solution tank approx.:	0.3 bar
Electronic ignition coil:	4 × 1.5v batteries
