2 YEARS WARRANTY
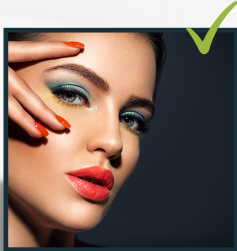

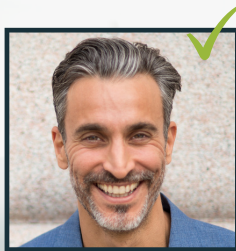

Timetera featuring cutting-edge AI technology for lightning-fast and accurate identity verification. With advanced low light support, the device makes face detection easy and precise even in dimly-lit environments. Plus, its unique face mask detection feature allows for secure and convenient access even while wearing a mask. Perfect for small and medium-sized businesses, the TT-51AI is reasonably priced and requires no additional software, making it a powerful and standalone solution for your needs.
