# A250 Biometrics Standalone Time Attendance Machine

The Timetera A250 is an inexpensive, dependable, and straightforward biometrics time attendance device that is a powerful solution for small and medium offices. With the ability to store up to 130,000 transaction logs and 1,000 fingerprints, the device is capable of handling high volumes of data. It offers multiple modes of authentication, including password, fingerprint, and RFID card, making it easy for users to access. Its efficient and reliable performance make it a valuable asset for businesses looking to streamline their attendance tracking processes while minimizing errors.

## Elegant Design

Gloss black finishing with iron texture on scanner panel. Professional look for wall mount or table stand.
