GAS HOB

TG1493B

- **Cooking with convenience**

This hob is equipped with 3 different gas burners for every situation, including an auxiliary gas burner of 2000W for slow and gentle cooking or small cooking pans

- **Easy to use**

No need for matches or lighters: easy and convenient electronic ignition with single-handed operation.

- **Safe cooking**

This hob is equipped with a thermo-electric flame failure feature, which automatically interrupts the gas supply should the flame be blown out by a draft.

- **Easy Installation**

This hob is supplied with either Town Gas or LPG nozzles to suit your home gas configuration.
