### 1 RH550–P Replacement Probe

The RH550–P temperature and humidity probe is a replacement probe for the Extech RH550 Temperature and Humidity meter. The RH550–P has a fixed calibration, therefore the RH550 meter accuracy is assured.

### 2 RH550–C Extension Cable

The RH550–C probe extension cable allows the user to separate the probe from the main RH550 unit. Up to 3 cables can be connected in series without loss to the accuracy of the temperature and humidity readings. The cable length is 197 cm (6.5 ft.) approximately. The length of the cable, including the connectors on both ends, is 210 cm (6.9 ft.) approximately.

### 3 Warranty

FLIR Systems, Inc. warrants this Extech brand probe and cable to be free of defects in parts and workmanship for 6 months from date of shipment.

### 4 Customer Support
