

GREASE off QUICK & EASY

green-Effective® Universal kitchen degreaser

■ Eco-efficient performance with eco-effective product design

User and environmental safety at the highest cleaning performance

- First *Cradle to Cradle*™ Gold certified range in the cleaning industry
- Certified with the European Ecolabel (AT/020/012)
- Complete abandonment of toxic and harmful materials
- Outperforms other products at lower use concentration

*Cradle to Cradle Certified™ is a certification mark licensed by the Cradle to Cradle Products Innovation Institute. The product has been Cradle to Cradle Certified™ at the Gold level, packaging meets Bronze level requirements without the "foam-sprayer" not assessed, contains no banned materials

Sustainable development and production

EMAS:

- Continuous improvement of environmental performance
- Annual sustainability report
- Energy and water management
- Social Fairness

DIN ISO 14001:

- Continuous improvement in reducing waste and CO2 emissions, and saving of energy, water and material consumption

ISO 50001:

- Continuous improvement of energy management: performance, efficiency, security, use and consumption

A.I.S.E.-Charter:

- Safe and sustainable manufacturing of cleaning products

DIN ISO 9001:

- Continuous improvement of management processes and customer satisfaction
- Established quality management system in product development and production

Complete biodegradability

- GREASE off Quick&Easy with all its ingredients is totally biodegradable and has proven this important property in an accredited mineralization test according to OECD 302 B standard*

Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: 41% of organic carbon processed in GREASE off Quick&Easy originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

Full transparency - complete ingredient declaration

<5% anionic surfactants (sodium laureth sulfate), amphoteric surfactants (cocoamidopropyl betaine), non-ionic surfactants (fatty alcohol EO adduct), perfumes
Specific ingredients: water, ecofriendly complexing agents based on amino acid, sodium citrate, alkanolamine, alcohol, glycerol ketals, food colour (E 102), cosmetic dye

Traditional German quality - driving your durable business development

- More than 25 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

GREASE off QUICK & EASY

green-Effective® Universal kitchen degreaser

- Powerful ■ Easy application ■ Economic

Product profile

- Thanks to its special surfactant combination, GREASE off Quick & Easy is high performing and achieves outstanding degreasing properties, allowing even to remove persistent soilings in food processing areas.
- As part of the Quick & Easy portable dosing system, the highly concentrated degreaser combines outstanding performance with minimum efforts and low cost in use.
- Being CLP-free in application, it offers maximum user-safety.
- Majorly composed of renewable resources, this product takes on the responsibility for future generations.
- With its EU Ecolabel and Cradle to Cradle certification, this degreaser responds to the increasing requirements for the preservation of the environment.

Area of application

- GREASE off Quick & Easy is ideally suitable for use on all water- and alkali resistant surfaces in kitchens and other food processing areas. Suitable for use in food processing areas such as kitchen counters, cutting machines, refrigerators, wash basins, kitchen devices, vapor hoods, ovens, microwaves, convection ovens, etc.
- Do not use on alkali-sensitive surfaces.
- Do not use on aluminum or brass.
- For our Quick & Easy system we recommend to change water after 24 hours.

Product safety, storage and environmental instructions

Safety: For professional use only. Keep away from children. Do not mix with other products. Avoid inhaling sprayed product. Test material compatibility before use. For further information, see Safety Data Sheet.

Storage: Store at room temperature in the original container.

Environmental: Only give completely emptied packaging in the recommended waste container. Proper dosing saves costs and minimizes environmental impact. Compared to other products only a small amount is required.

Application and Dosing

Dose in relation to application and degree of soil. Follow below instructions.

Bottle change

Concentrate bottle change Remove cartridge and spray 2-3 times to avoid product residues.

predefined dosing

Manual application: can be used on metal surfaces.
