Intensive use of renewable resources – continuous increase of the reutilisation score

- Production under extensive use of renewable raw materials and energy using to 100% hydroelectric, solar and geothermic power
- Production widely independent of crude oil: 51% of organic carbon processed in GREASE perfect originates from renewable plant resources which enables a production that is widely independent of crude oil
- Active water stewardship maintaining an own fresh and waste water treatment

Full transparency - complete ingredient declaration

<5% non-ionic surfactants (fatty alcohol EO adduct), anionic surfactants (sodium alkyl sulfate)
Specific ingredients: water, alkanolamine, ecofriendly complexing agent based on amino acid, alcohol, food colour (E 133)

Traditional German quality - driving your durable business development

- More than 25 years pioneer in sustainable product development
- Smart hygiene solutions ensuring profitable growth
- Trusted brand

Professional user training and on-site support for Sustainable Hygiene Solutions

- Comprehensive knowledge transfer through qualified cleaning consultants
- Customized hygiene plans and cleaning recommendations optimizing your business and cleaning procedures
- Increased service value and strengthened company reputation

GREASE perfect

green-Effective® Kitchen Degreaser

- Fast & efficient
- Flexible usage
- Perfume-free

Product profile

- GREASE perfect solves oil and greasy stains fast and efficiently on all water and alkali-resistant surfaces and flooring. Due to its mild alkalinity, it can be used on multiple surfaces while keeping high degreasing action.
- Meanwhile enhancing the work safety, it achieves very good results when used on stubborn incrustations. In particular for stove and grill areas.
- It is free of perfume.
- GREASE perfect offers a refillable spray bottle.
- Majorly composed of renewable resources, and due to its specific conception, which makes the use of this product suitable for food processing areas, GREASE perfect takes on the responsibility for future generations.

Area of application

- GREASE perfect is suitable for use in food processing areas such as kitchen counters, cutting machines, refrigerators, wash basins, kitchen devices, vapor hoods, ovens, microwaves, convection ovens, alkali-resistant flooring, etc.
- It is also excellent for cleaning of plastic surfaces like e.g. window frames and doors.
